FUNDING FOR SAFE ROUTES TO SCHOOLS

In the spring of 2017 House Bill 2017 passed in the Oregon State Legislature, dedicating \$10 million annually for Safe Routes to School infrastructure, increasing to \$15 million annually in 2023. The purpose of the funding is to build projects within a one-mile radius of schools to make it safer and easier for students to walk and bicycle to school.

IMPORTANT FACTS:

- SRTS funds are available because of an increase in State Highway taxes and fees and are deposited into the Safe Routes to School Fund.
- There is a 40% cash match for the funds. Cash match can be reduced to 20% when the project is within a city of 5,000 people or fewer, or is near a Title I school, or is within a "Priority Safety Corridor."
- The Safe Routes to School Fund is guided by OAR 737-025.
