) BOAORD ORDER 07-772

an ORS Chapter 451 County Service District.

THE BOARD OF COMMISSIONERS OF YAMHILL COUNTY, OREGON ("the Board") sat
for the transaction of county business in formal session on March 14, 2007, commissioners
Kathy George, Mary P. Stern and Leslie Lewis being present.

THE BOARD MAKES THE FOLLOWING FINDINGS:

A. ORS Chapter 451 authorizes "county service districts" for certain specified purposes
including "(P)ublic transportation, including public depots, public parking and the motor vehicles
and other equipment necessary for the transportation of persons together with their personal
property." ORS 451.010(1)(h). ORS 451.435(1) provides that formation of county service
districts is governed by ORS 198.705 to 198.955. ORS 198.835 authorizes a county governing
body to form a county service district consisting of territory located wholly within the county
without an election provided it adopts an order initiating formation of the district and thereafter
complies with ORS 198.800 to 198.825.

B. On January 10, 2007 the Board adopted Board Order 07-66 to initiate formation of the
Yamhill County Transit Area (YCTA) as a county service district authorized by ORS Chapter
451. The purpose of the district is to enhance public transportation within the county. The
proposed boundaries of YCTA include all of Yamhill County and its 10 cities. The findings set
forth in Board Order 07-66 more specifically describe the reasons why the formation of YCTA is
proposed together with the legal authority for formation of the district. Board Order 07-66 set
the initial public hearing on formation of YCTA for February 14, 2007.

C. On February 14, 2007 the Board held the initial public hearing on formation of the
YCTA. At the conclusion of the hearing, the Board voted to schedule a second hearing on
formation. The Board's action is memorialized as Board Order 07-213. The operative part of
Board Order 07-213 provided as follows:

1. The Board hereby determines it should proceed with formation of the
Yamhill County Transit Area as an ORS Chapter 451 county service district.

2. The boundaries of the proposed Yamhill County Transit Area consist of all
of Yamhill County, including its 10 incorporated cities.

3. A final public hearing to consider formation of the Yamhill County Transit Area shall be held in Room 32 of the Yamhill County Courthouse at 10 am on March 14, 2007.

4. No election on formation of the Yamhill County Transit Area shall be held unless written requests for an election are filed with the Board at or before the close of the final hearing by not less than 100 electors registered in the proposed district.

D. Notice of the March 14, 2007 public hearing was duly published on February 17, 2007 in the Newberg Graphic, a newspaper of general circulation in Yamhill County.

E. On March 14, 2007 the Board held a public hearing on formation of the YCTA in Room 32 of the county courthouse. After hearing testimony from interested citizens, the Chair closed the public hearing. No written requests for an election on formation of the YCTA were submitted to the Board by the time the hearing was closed on March 14, 2007.

F. ORS 198.820(3) provides as follows.

“(3) An order creating a district, whether the district is formed with or without an election, shall state the name and purpose of the district, describe its boundaries, and declare the district formed. From the date of the formation order the district shall be considered established.”

G. Based on testimony and evidence received at the public hearings held February 14, 2007 and March 14, 2007, the Board has determined it appropriate to enter an order of formation creating the YCTA.

H. Copies of resolutions consenting to formation of the YCTA within the ten incorporated cities of Yamhill County are attached as Exhibit A. NOW, THEREFORE

IT IS HEREBY ORDERED BY THE BOARD AS FOLLOWS:

1. Effective March 14, 2007 the Board hereby creates the following special district:

NAME: Yamhill County Transit Area.

BOUNDARIES: All of unincorporated Yamhill County plus its ten incorporated cities of Amity, Carlton, Dayton, Dundee, Lafayette, McMinnville, Newberg, Sheridan, Willamina, and Yamhill. The legal description of Yamhill County and the Yamhill County Transit Area is set forth in ORS 201.360. ORS 201.360 is incorporated into this order by reference.
TYPE: ORS Chapter 451 County Service District. The Board of Commissioners is the governing body of the district under ORS 451.485. While performing duties for the Yamhill County Transit Area, the Board shall be referred to as the Board of Directors.

PURPOSE: To enhance public transportation within Yamhill County.

AUTHORIZED: The Yamhill County Transit Area is authorized under ORS 451.010(1)(h) which allows counties to establish county service districts for “(p)ublic transportation, including public depots, public parking and the motor vehicles and other equipment necessary for the transportation of persons together with their personal property.” In accordance with ORS 451.435(1), the district was formed as provided by ORS 198.705 to 198.955.

2. In accordance with ORS 198.820(3), the Yamhill County Transit Area is hereby declared to be formed. This Board Order is referred to the Board of Directors of the Yamhill County Transit Area for an organizational meeting to be held at 8:45 am on Wednesday, March 21, 2007.

3. Certified copies of this order shall be provided to the Yamhill County Transit Area, the Yamhill County Assessor, the Yamhill County Surveyor, the Oregon Department of Revenue, and the Oregon cities of Amity, Carlton, Dayton, Dundee, Lafayette, McMinnville, Newberg, Sheridan, Willamina, and Yamhill.
