

# I-84 WESTBOUND CLOSURE - ONTARIO Level 1

1. The WESTBOUND lanes of I-84 may be closed to all traffic west of Baker City (check TripCheck).
2. Between Ontario (Exit 374) and Baker City, I-84 WESTBOUND is **OPEN** to **passenger vehicles and local traffic ONLY**. This section of freeway is **CLOSED** to all other **truck traffic**, which must exit freeway at Exit 374, or prior exit. The closure to trucks is due to limited safe truck parking beyond this closure point.
3. Commercial truck drivers and all thru-traffic are encouraged to find safe parking in a community prior to closure point and wait for the freeway to reopen. This is to prevent you from being stranded in an area without services (lodging, restaurants, fuel).
4. Be prepared for changing road and weather conditions. Freeway status can change at any time. Check TripCheck.com and weather reports. Westbound freeway will open to all vehicles when incident is cleared.
