Welcome to Oregon!

Oregon isn't a place you see as much as you do. You can sight-see our beautiful coast, volcanic mountains, crystal-clear lakes and deserts stretching as far as the eye can see. We have hiking trails over alpine passes, across ancient fossil beds, through large urban forests and overlooking the Pacific. Whether you're into road biking, mountain biking or in-town cruising, Oregon has the routes to suit you. And with more than 200 public golf courses, it's no wonder Oregon ranks high for golf fans. If golfing, cycling and hiking aren't enough to satisfy your appetite for adventure, not to worry — there's much more. There's climbing Smith Rock, windsurfing the Gorge, angling the Deschutes and rafting the rapids of Hells Canyon. There's year-round skiing and snowboarding, and plenty of surfing along 363 miles of coastline.

The culinary scene in Oregon is one of the most vibrant in the nation. Why Oregon? We have the perfect weather to grow the perfect ingredients — hardy hops and barley, award-winning Pinot Noir, delicious pears, fresh salmon, earthy mushrooms and luscious berries — all in our own backyard. Maybe it's Oregon's pioneer roots, but in this can-do culture it's understood that good food requires effort, and it's worth it.

If you're looking for world-class wine, some of the best food and craft beer in the country, epic cycling, kayaking, windsurfing or just about anything else-ing, look no further. Better yet, don't look — come out here and leap!
