

Transportation Safety Action Plan

Outreach to Area Commissions on Transportation

As we get to the public review phase of developing and preparing for adoption of a new or updated transportation topic plan we reach out directly to the Area Commissions on Transportation and other interested agency leadership groups around the state. PAC members are encouraged to attend the meetings in their home areas.

We also make presentation in response to invitations from both public and private groups interested in transportation safety. The purpose of the presentations is to give and overview of the plan process and the public review draft to prepare and encourage groups and individuals to review and comment on the draft during the public review period from June 17th through August 1st.

Walt and Nancy have already presented at the Mid-Willamette ACT in early April and at the Region 1 ACT on May 2nd. Here is a list of the other meetings scheduled so far:

Friday May 20th, 3:00 to 3:30: ITE/OTCDC (Oregon Traffic Control Devices Committee) at the West Salem Roths conference facility. Beth and Nancy will be presenting. For more information: https://www.oregon.gov/ODOT/HWY/TRAFFIC-ROADWAY/pages/traffic_control_devices_committee.aspx

Monday June 6th, Lunch Hour Presentation to a Joint Meeting of the Northeast ACT and the Southeast ACT at Region Headquarters in La Grande. Walt will be presenting in person and Nancy will be available by phone. For more information: https://www.oregon.gov/ODOT/COMM/pages/act_neact.aspx

Thursday June 9th, ATTSA (American Traffic Safety Service Association) at Region 1 Headquarters; meeting is from 9:00 to 3:00; allotted time on the agenda is not yet known. For more information:

Thursday June 23rd, Central Willamette ACT; in Toledo or Albany; details not yet known. For more information: https://www.oregon.gov/ODOT/COMM/pages/act_cascadeswest.aspx

Thursday July 14th, 1:00 to 3:30, Northwest Oregon ACT in Banks, details not yet known. For more information: https://www.oregon.gov/ODOT/COMM/pages/act_nwact.aspx
