¹ S.S. = Statistical Significance: SS+ indicates that the county estimate is greater than the statewide rate; SS-, less than the statewide rate; a blank, not different from the statewide rate.

* This number may be statistically unreliable and should be interpreted with caution.

**This number is suppressed because it is statistically unreliable.

NOTE: Age adjustment is based on three age groups: 18-34; 35-54; and 55+, per U.S. Standard Million Population.
