^ This number may be statistically unreliable and should be interpreted with caution.

-- This number is suppressed because it is statistically unreliable.

NA = Not applicable for topics that do not require age adjustment.

¹ North Central Public Health District includes Gilliam, Sherman and Wasco counties.

² Current on colorectal cancer screening includes: having a fecal occult blood test (FOBT) in the past year; a colonoscopy within the past 10 years; or, a sigmoidoscopy within the past five years as well as an FOBT within the past three years.

Health screenings among Oregon adults, by county, 2014-2017

Use unadjusted to estimate the overall burden of disease; use age-adjusted to compare among counties.

County	Mammogram within past two years (women 50-74 years old; %)		Pap test within past three years (women 21-65 years old with a cervix; %)
