

VOICE FIRST in Oregon

*When you are in crisis –
being able to reach 9-1-1 is critical*

- It's important to remember that in Oregon you cannot yet reach 9-1-1 by sending a text
- If you do you will receive a “bounce-back” message from your wireless carrier saying there is no text service to 9-1-1 available at this time.
- Oregon is working to upgrade 911 infrastructure to allow text to 9-1-1 messages
- Until then, “Call if you Can”

Oregon 9-1-1
When Seconds Count.
