**RE: Post-seizure notice for Lily Marlene USCG No. 220086**

Dear Mr. Salo,

The City of Warrenton seized a 1920 Babare Bros. boat, 65 feet 7 inches in length, with the United States Coast Guard, on October 22, 2016 at 2:00pm from the portion of the Skipanon River known as the City of Warrenton Marina in Clatsop County. The vessel is currently submerged with unknown parts and contents contained in the vessel. Fuel has been removed by the USCG. No personal property has been found in the debris field only garbage.

The title and registration records of the United States Coast Guard indicate that you are the current owner of this vessel. The vessel was seized under authority of ORS 830.911 as a derelict and abandoned vessel due to being left abandoned on the dock at without authorization and sinking, therefore being a hazard to navigation and other boaters in the area.

You, as owner of this boat, are liable for salvage, towing, storage and disposal costs incurred by the City of Warrenton and the United States Coast Guard. The costs to date are unknown for the fuel removal by the USCG. Estimated removal/ demolition and waste hauling costs are \$25,000 - \$80,000. The final costs will be determined at the conclusion of this process and may be higher or lower than the estimate stated here.

You may immediately reclaim the boat by presenting proof of identification and payment of costs that have accrued. Furthermore, you must provide proof that you can move the boat to a place where the boat can be lawfully kept.

Failure to reclaim the boat and pay the costs of salvage, towing, and storage by **November 22, 2016 at 4:00pm** will cause the title to the boat and all personal property found in the boat to be vested with the City of Warrenton and the City may then sell or otherwise dispose of the boat. If the boat is sold, the liability imposed under ORS 830.938 shall be reduced by the net proceeds of the sale. The costs incurred will be paid from the City of Warrenton; however, you, as the owner, remain liable for all salvage, towing, storage and disposal costs.

You may request a hearing by submitting a written request no later than **November 10, 2016** to the City of Warrenton Office at the address listed above. The request for hearing must include a statement of the specific grounds on which the seizure is challenged and whether you challenge the reasonableness of any salvage, towing or storage costs incurred by City of Warrenton.

For more information call the City of Warrenton Marina at 503-861-3822.
