

3 GOALS, with the overarching theme of ACCESS

- Reduce substance use and substance use disorder
- Reduce substance use-related deaths
- Reduce substance use disparities and inequities

Holistic Solutions

We've assembled **5 committees** to study solutions that fall within the "continuum of care"

- Youth
- Prevention
- Harm Reduction
- Treatment
- Recovery

- Health, Human Services
- Youth, Education
- Criminal Justice
- Consumer Affairs

The ADPC is working with **14 state agencies** to create & implement the comprehensive plan

De-silo Agencies

Deep Research

We're building on years of research, conducted by the ADPC and other entities

- 2023 Overdose recommendations
- HB 4002 reports
- 2022 SUD service & gaps analysis
- 2024 Progress Report

- Community interviews
- Focus groups
- Regional conversations

The 5-year plan will be informed by a range of voices from across the state

Community Engagement
