Supporting Meeting Materials

- [Youth Adult Partnership Training](#)
- [Draft Charter](#)

Group Agreements:

- Be present and involved
- What is shared in this space, stays in this space.
- Varied and opposing ideas are welcome. Challenge ideas, not people.
- Use the names and pronouns people introduce themselves with.
- Focus on our shared purpose: improving the system for Oregon youth.
- Listen actively – respect others when they speak and avoid interrupting.
- Honor those with quieter voices. If you tend to talk more, give others space to speak. If you are quieter, try to speak up.
- Be mindful of power dynamics in the room.
- Avoid acronyms!
- Avoid problem-solving for one person's situation or crises.
- Propose solutions whenever possible — don't just value the problem.
- Adults must take [youth adult partnership training](#) before attending regularly.

Before making any decisions, consider:

- What are the racial equity impacts of this particular decision?
- Who will benefit from or be burdened by this particular decision?
- Are there strategies to mitigate any unintended consequences?

- Is completion of the [full racial equity worksheet](#) warranted?
