Director's Updates

Presented by Director Dolph

Commission Update

Will be reviewing 2023-2025 State Substance User Disorder financial analysis at next meeting.

Next meeting: September 14, 2026

Recovery Committee Update

The committee will be reviewing pieces of the 2023-2026 SUD financial spending that relates to recovery and peer services.

Next meeting: September 20, 2026

Prevention Committee Update

Returning to conversation around the Center of Excellence (CoE and reviewing SUD financial spending.

Next meeting: September 23, 2026

Health & Safety Interventions Committee Update

The committee will be reviewing pieces of the 2023-2026 SUD financial analysis spending on harm reduction and naloxone across state agencies.

Next meeting: September 29, 2026

Local Opioid Settlement Board

The Opioid Settlement Board reviewed how the comprehensive plan priorities have been mapped onto eligible settlement uses. A Request for Grant (RFG) is expected to be posted in October, with responses due in December. Funding awards are anticipated to be distributed in July 2027. The board also discussed long-term planning for allocating settlement funds over the next 13 years.

Next meeting: October 1, 2026

Action Item: Approve Federal TA Center Recommendations

Presented by Mitch Doig

Background: In November, Mitch met with the Director of HHS Region 10 TA centers (Opioid Response Networks and Northwest Addiction Technology Transfer Centers) to discuss potential recommendations for Region 10 Technical Assistance Centers. Following direction from the Treatment Committee, a workgroup was formed to carry out various activities, including drafting recommendations for technical assistance providers. The workgroup initially generated approximately 40 potential topic areas through a brainstorming process. These topics were then evaluated based on who would benefit most, with attention to both workforce needs and patient outcomes. Additional consideration was given to compatibility with Medicaid, noting that any treatment-related training should be reimbursable. The level of recommended support was calibrated to match stakeholder interest.

ACTION ITEM: Mitch conducted a roll call vote, motion approved unanimously.

Comprehensive Plan: Landscape Assessment Survey

Presented by Third Horizon

Tym Rourke provided an overview of the Landscape Assessment Survey. The survey will be conducted during fall 2026, with results shared with the committee by the end of the year. The survey will be repeated in 2029 to allow the committee to measure progress and changes within the provider system based on priorities identified in the Comprehensive Plan. Questions related to H.R. 1 will also be included.

Committee member Alison Noice suggested identifying a point person within each organization to coordinate the survey. Due to the breadth of the survey, it may require input from five to six individuals. Committee members also provided feedback regarding the length of the survey and the potential challenges of obtaining responses given the number of questions. Committee

member Moxie Loeffler asked whether another state has conducted a similar system-wide assessment using a smaller number of questions. Tym Rourke encouraged committee members to provide additional feedback and reflections before the survey goes live.

Public Comment

Presented by Chair

No public comment submitted.

ADJOURNMENT

Meeting adjourned at 4:06 PM
