

# Request to Receive and Expend Funds Cape Blanco Runway and Electrical Rehab

## Background

- In the fall of 2021, ODAV applied for a Connect OR grant for a \$3,821,185.00 project to rehabilitate the runway and electrical system at the Cape Blanco State Airport.
- The grant amount requested was \$2,598,405.80, with an applicant match of \$1,222,779.20.
- In the 2022 short legislative session, HB5202 included appropriations in the amount of ODAV's Connect OR grant application to fund the project outside of Connect OR.
- ODAV wishes to receive and expend the funds to rehabilitate the runway and electrical system at Cape Blanco.

# Request to Receive and Expend Funds Cape Blanco Runway and Electrical Rehab

## Approval to Receive and Expend Funds

*ODA requests approval from the Aviation Board to receive and expend \$2,598,405.80 for the Cape Blanco State Airport Runway and Electrical Rehabilitation Project.*
