Subject: Aviation Board Meeting Comment

Dear Aviation Board,

I sent an email to you all on February 7 regarding some issues at Independence Airport. As a longtime leaseholder, and in light of the nature of my concerns, I expected the courtesy of a reply or at least an acknowledgement of my email. To date I have not heard from any of you.

Betty Stansbury assured me she would forward my email to all of you. I'm not sure at which point the communication process is broken, but unfortunately ODA is proving itself truly broken and dysfunctional in the communication department. I would appreciate you contacting me to discuss the issues in my original email.

It would also be helpful to have better contact information for the Board members on the public website.

Thank you
Marici Reid
