10	Information	1:33:00	Board Best Practice Survey- Results are measured as one of agency’s Key Performance Measures (KPMs) as part of Annual Performance Progress Report Lucas - FAA requirement for up front funding for environmental assessments – how is this being incorporated into the budget; Forest - this development came up after the Budget was done and ODAV staff is working on how to deal with this and will bring these to the Board.	Forest
11	Information	1:36:00	State Airports Manager Update PowerPoint presentation Update on Independence Airport re: written comment from Mr. Brown – fence and gates project; recent shift to communications via Gov Delivery to ensure more consistent outreach. Meeker - Add Independence Airport to board meeting sites Nagy – visited Independence and appears to be much more secure Meeker: De-icing at UAO – FBO does aircraft; facilities by ODAV Lucas – status of instrument approach at JSY; the NPIAS status of JSY has been changed. Beach – the RW markings are not required for instrument approach	Beach

			so the application ok to file, but at OAMA, FAA backed away from that determination; and instrument procedures would have kept JSY as a Cat 4 instead of drop to Cat 3. Lucas – please pursue this since this is not a published standard Stephens – well done on the
