Notice of Availability
Draft Environmental Assessment
Chiloquin State Airport Obstruction Removal and Taxilanes Improvements

Draft Environmental Assessment Available
The Federal Aviation Administration (FAA) and the Oregon Department of Aviation (ODA) announce the availability of the Draft Environmental Assessment (Draft EA) for the proposed Obstruction Removal and Taxilanes Improvements Projects at the Chiloquin State Airport in Chiloquin, Klamath County, Oregon, for public review and comment. The Draft EA examines the potential environmental impacts of the proposed action to remove obstructions in the runway approach zone to ensure compliance with current FAA safety and operational standards for airports and the rehabilitation of the east side taxilanes. The project purpose would be accomplished through tree removal, landscaping, and taxilane pavement rehabilitation.

The Draft EA will be available for public review and comment beginning on March 27, 2019. Draft EA copies may be viewed during regular business hours at the following locations:

- Oregon Department of Aviation
  3040 25th St. SE
  Salem, Oregon  97302

- Seattle Airports District Office – Federal Aviation Administration
  2200 S. 216th Street
  Des Moines, WA 98198

The Draft EA will also be made available in electronic format on the ODA website at

https://www.oregon.gov/aviation

Public Comment Period
Public comment on this document is invited for a 30-day period extending from March 27, 2019, through April 26, 2019. The purpose of the Public Comment period is to allow comments on the adequacy of the Draft EA for the proposed Obstruction Removal and Taxilanes Improvements Project at the Chiloquin State Airport. To provide written comments on the Draft EA or request a public hearing, please contact:
