<b>Airport Name</b>	
<b>Airport Sponsor's Address</b>	
<b>City, State, Zip</b>	
<b>Name of Airport Sponsor's Authorized Representative</b>	
<b>Phone No. of Authorized Representative</b>	

Construction or installation of a nonretail facility for dispensing aviation fuels has been requested or is planned at the above airport.

Construction or installation of such a facility having been permitted by the airport owner, a permit is requested from the Oregon Department of Aviation.

It is understood that the permit being requested from the Oregon Department of Aviation is in addition to any other applications, permits or other requirements of additional federal, state or local authorities with jurisdiction over the proposed construction or installation.
