Salem, OR 97302

February 4, 2025

Dear Chair Stephens:

Please consider this letter a formal request by the City of Klamath Falls to change the Crater Lake – Klamath Regional Airport's classification under the Oregon Aviation Plan from a Category I: Commercial Service Airport to a Category II: Urban General Aviation Airport.

Commercial air service at the Crater Lake – Klamath Regional Airport ceased in August of 2017 and is not expected to return. It is our belief that the Category II classification is a more appropriate designation for the airport going forward. The Airport meets, or exceeds, all the Category II performance criteria for airside facilities, general facilities and services listed in the Oregon Aviation Plan.

If you have any questions regarding this matter, please feel free to contact me or Airport Business Manager Linda Tepper (ltepper@klamathfalls.city / 541-883-5371).

Sincerely,

Johnathan Teichert
