- Region 1: Eastern, Towered, and Western
- Region 4: Eastern

Procurement & Contract Administration

ODAV has been successfully continued managing its procurement and contracting processes in-house since **July 1, 2024**.

Active Contracts:

- **Engineering Work Order Contracts (WOCs) - 27**
- **Public Improvement Construction Contracts - 3**

Planned Contracts 2025:

- **Engineering Work Order Contracts (WOCs) - 11**
- **Public Improvement Construction Contracts - 9**

Continued Improvements:

- Maximized use of OregonBuys to manage procurement contracts and streamline all related processes—from vendor outreach, solicitation, and contract awarding.
- Continued collaboration with the DOJ to review all procurement and contract documents, with the objective of updating templates and forms to better align with ODAV's operational needs.
