Board Approval of COAR Grants

- Clarification provided on allowable actions by Aviation Board in re-prioritizing and approving COAR grant applications.
- Added approval criteria based on ORS 319.023 and OAR 738-124-0060
- Added process for Aviation Board to submit justification if applications re-prioritized or funded for lesser amount than requested by applicant.
- Maximum grant amount to be kept at \$150,000 due to continual increase in project quantity and limited program funds.
