

# December 2025 Director's Update

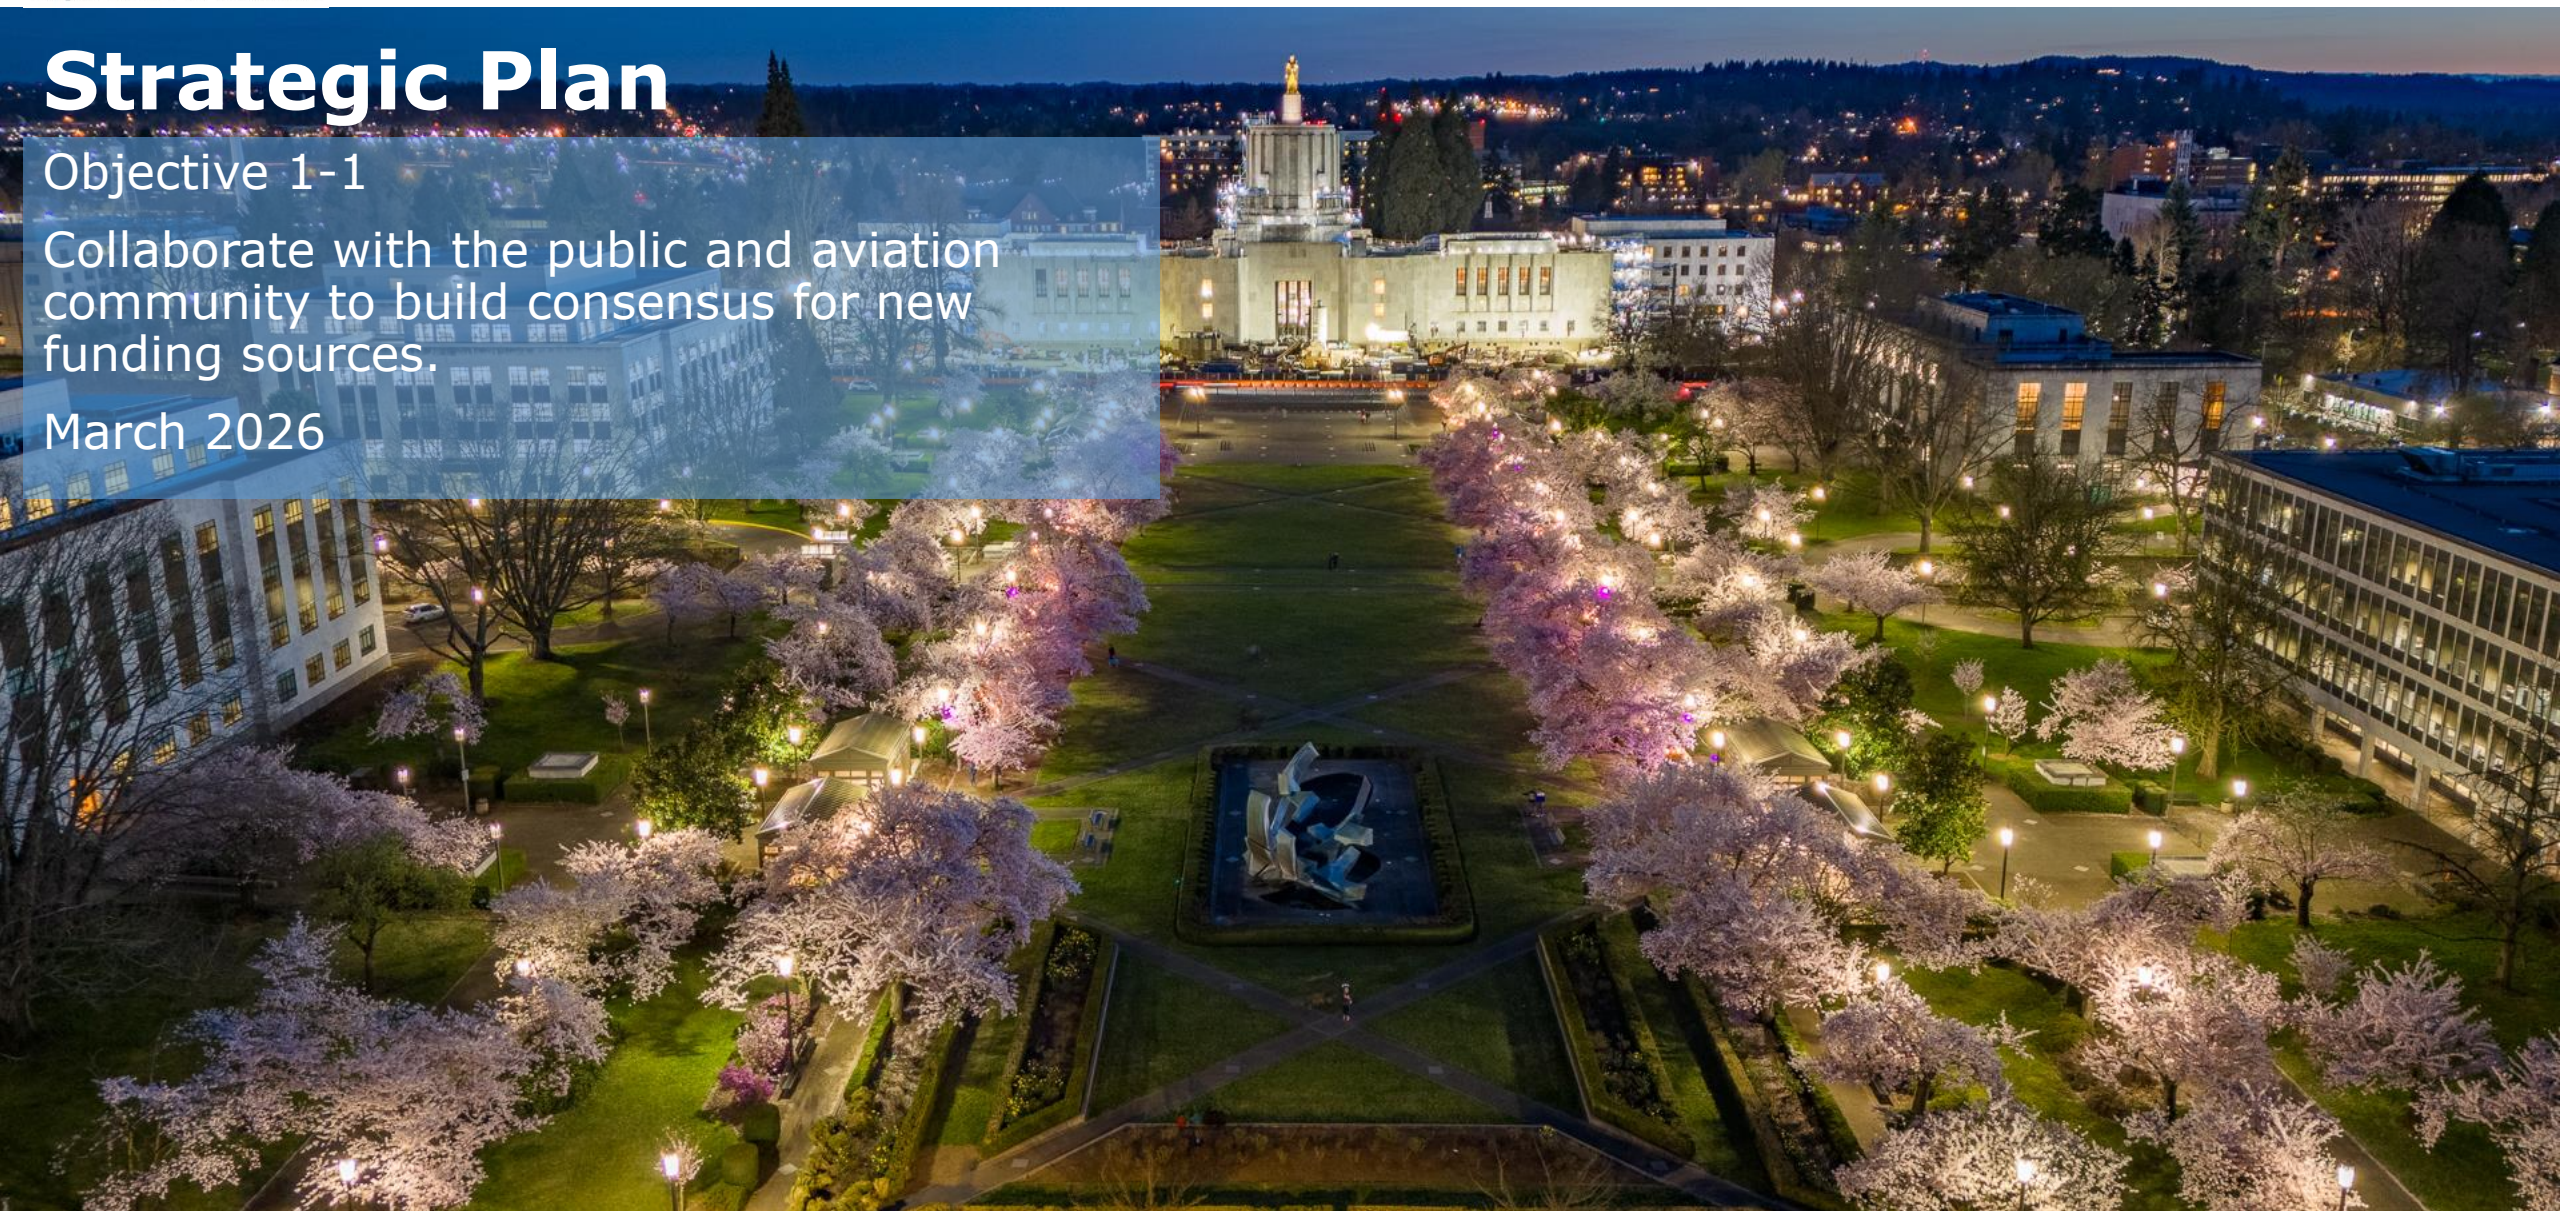

# Strategic Plan

## Objective 1-1

Collaborate with the public and aviation community to build consensus for new funding sources.

March 2026

# PLANNING

## Objective 5-2

By July 2026, launch a 2-to-3 year pilot project to stand up an ODAV drone program to support state enterprise drone operations including training, operations, oversight, as well as supporting public safety and inter agency missions.

## Unified Drone Best Practices

Oregon State Parks

Oregon Department of Transportation

Oregon State Police

Oregon Department of Forestry

# eIPP
