Hello

I am writing today as a voting tax payer in Tillamook County regarding the Pacific City (KPFC) Airport.

Rumor has it that the State of Oregon is once again proposing to dump this airport and sell this land to a private owner in addition to renege the SOAR State funds that were dedicated for maintenance and essential repairs to the Pacific City Airport in order to make up for an administrative funding deficit.

I question - are any other rural public airports being asked to forgo their promised SOAR funding? Or is just the Pacific City Airport that is getting the shaft?

As a Tax Payer in Tillamook County I am against the State of Oregon dumping our public airport and selling this land to a private entity.

As a Tax Payer, SOAR funds needs to be used as they were allocated and promised.

Thank you

J.L.J. Pryor
