Public Comment Topic	Pacific City State Airport SOAR funds BELONG to our airport! Our airport should belong to OREGON!
Public Comment	SOAR funds earmarked for the Pacific City State Airport need to go where they were intended, not be stolen for a budget shortfall that is no fault of this mighty little airport. It is a treasure, beloved by pilots and the city itself. Dedicated volunteers keep it in good condition, ready for all kinds of flights, including emergencies. Threatening to remove it from state ownership is ridiculous. How many unique things has this state lost because of short-sighted decisions, poor planning, and mismanagement at higher levels? Many, many. Please do not add this important, historic and special part of the coast to the list. Keep it local, disperse funds as promised. Thank you. Lori
