| <b>Public Comment</b>                                                        | <p>During the July 2026 ODAV Board Meeting, there was a discussion about rescinding the recently approved SOAR funding for Pacific City State Airport and returning it to the agency for distribution to other State airports. The Friends of Pacific City State Airport nonprofit organization requests that a public hearing be held before approved SOAR funding is rescinded. The affected community of Pacific City, the Pacific Northwest aviation community, and Friends of Pacific City State Airport should be given an opportunity to speak in support of the airport. Time is of the essence, as FEMA land-use rules affect the airport's ability to be repaired or to add a public access road after October 2027.</p> |
