Public Comment Topic	Pacific City Airport
Public Comment	We used to live in Bend, OR, but have since relocated to western Colorado. We've considered moving back to Oregon, which is partly why I feel compelled to write on behalf of Pacific City airport. I've flown to the vast majority of airports in Oregon. Pacific City is, without question, my favorite one in the entire state. That's not hyperbole. We've very much enjoyed coming to your small but beautiful coastal town, and the airport makes doing so much easier. When we did, we found walking to area restaurants and shops well within walking distance. Strolling on the beach, literally a stone's throw away, was always an enjoyable reprieve from the heat of central Oregon. I truly hope there aren't plans to shut down what many pilots consider to be one of the best kept secrets on Oregon's coastline. If so, I respectfully request you reconsider. It would be a terrible loss for not only the aviation community, but also for the town itself.
