GENERAL INSTRUCTIONS

1. Applicants for Building Codes Division contractor/business licenses generally must be licensed with the Construction Contractors Board (CCB). You may contact CCB, 503-378-4621, or visit its website, www.ccb.state.or.us.
(Boiler and plumbing business applicants: People applying for single plumbing business licenses do not need to complete the qualifying person experience verification form.)
2. Carefully read the instructions.
3. You may apply for one or more single licenses or a combination license.
4. After you fill out the application, use the checklist at the end of the instructions to make sure the application is complete with all required documents before submitting to the Building Codes Division. Incomplete applications will delay the licensing process.

STEP 1

APPLICANT INFORMATION

1. OAR 918-030-0015 requires contractors registered with the Building Codes Division to maintain an active CCB license. Be sure to provide the business/company's CCB number and expiration date. If the business is exempt from CCB licensure, submit with the application a letter, on letterhead, stating the reason for the exemption.
2. The owner or corporate officer provided in this step must also sign in Step 6.

STEP 2

LICENSE TYPES

1. Check the boxes next to the licenses you are applying for.
2. Applicants must meet the requirements and submit the appropriate documents for each license they are applying for. If applying for a combination license, applicants must submit all additional documents and requirements for each license type within the combination.
3. Initial licenses will expire at the end of the current license cycles. Contact the Building Codes Division (BCD) licensing specialist or visit www.bcd.oregon.gov for information regarding license cycles.

STEP 3

METHOD OF PAYMENT

1. If you are paying by credit card, fill out the credit card information box. You must sign your name.
2. Make checks or money orders payable to "Department of Consumer & Business Services."

STEP 4

PREVIOUS LICENSES

1. If you currently hold, or have ever held, a license with Building Codes Division, list your license numbers, the business names, or both.
2. Skip to Step 6 for boiler/pressure vessel businesses (BB) and plumbing businesses (PB) applications.

Continued to Page 2

STEP 5**LICENSE PREREQUISITES**

1. Submit any additional documents required by license.
2. Designate an appropriate signing supervisor for the contractor license you are applying for. If applying with a “qualified person” (QP) as the designated signing supervisor, Page 5 of this document must accompany the contractor/ business application.

Instructions for “Verification of Qualifying Persons’ Experience”

A) Verifier may be the qualifying person’s employer, supervisor, co-worker, or business associate.

B) Experience required for the “Qualifying Person” are as follows:

- Restricted energy contractor (CRE): Verify two years (4,000 hours) of experience related to HVAC work.
- Limited maintenance specialty contractor (LMS): Verify 12 months (2,000 hours) of experience related to the repair, service, maintenance, installation, or replacement of existing, built-in, or permanently connected appliances, fluorescent ballasts, or similar equipment.
- Limited pump installation specialty contractor (CPI): Verify 12 months (2,000 hours) of experience related to the testing, repair, service, maintenance, installation, or replacement of new or existing pump equipment for potable or irrigation water systems on *residential property*.
- Limited maintenance specialty contractor HVAC/R (LHR): Verify two years (4,000 hours) of experience in installation, including set-up and testing, plus approved specialized training from a manufacturer, distributor, school, apprenticeship program, or lawful on-the-job training in one or more of the following activities: electrical repair, service, maintenance, installation, or replacement of existing built-in or permanently connected residential, commercial, or industrial heating, ventilation, air conditioning, dehumidifying, filtering, or refrigeration equipment, and experience in connection with the education received.
