Re: **Cancellation of board meeting**

I, Rebai Tamerhoulet, vice chair, recommend cancellation of the Residential and Manufactured Structures Board meeting scheduled for Jan. 5, 2022, due to no new business pending completion of the 2022 Oregon Structural Specialty Code committee review and the low-rise apartment provisions included therein.

The next regularly-scheduled meeting will be April 6, 2022. Board meetings are held virtually due to Covid-19 concerns.

Please contact Tony Rocco, structural program chief, at 503-910-1678, or Melissa Stiles, policy development coordinator, 503-899-2131, with any questions.
