

# Oregon Commercial Reach Code 2025 edition

Code development	Oct. 15, 2024	<b>Commercial Reach Code Kick-off Construction Industry Energy Board meeting</b>  The Construction Industry Energy Board has reviewed and approved the provisions of the 2025 Oregon Energy Efficiency Specialty Code (OEESC), which serves as the base code for the 2024 Oregon Commercial Reach Code.  The division is starting the process for adopting the companion Commercial Reach Code.
	Oct. 29 – Dec. 15, 2024	<b>Commercial Reach Code proposal period</b>  The division posts a notice explaining how to submit a Commercial Reach Code proposal. The notice will also be sent out through email to all those who have signed up for email updates on the division website.
Code review	Jan. 15, 2025	<b>Rulemaking Advisory Committee meeting</b>  A Rulemaking Advisory Committee meeting will be scheduled to allow for the review of the Commercial Reach Code proposals and BCD's proposed provisions.
	February 18, 2025	<b>Construction Industry Energy Board meeting</b>  The Construction Industry Energy Board will review and approve a final recommendation to the division for adoption.
Rulemaking	March 18, 2025	<b>Public rulemaking hearing</b>  The division will hold a public hearing where interested parties can provide testimony about the proposed code provisions.
	April 1, 2025	<b>Anticipated effective date</b>  The 2025 Oregon Commercial Reach Code will be available for use and posted on the division's website.
