

Oregon Residential Reach Code 2026 edition

Code development phase

► Feb. 18, 2026 – Residential and Manufactured Structures Board meeting

The Residential and Manufactured Structures Board reviewed and approved the code review committee's recommendations for the 2026 Oregon Residential Specialty Code to include the residential energy provisions in Chapter 11, which serves as the base code for the 2026 Oregon Residential Reach Code.

► Oct. 12 – Dec. 7, 2026 – Residential Reach Code proposal period

The division posts a notice explaining how to submit a Residential Reach Code proposal. The notice will also be sent out through email to all those who have signed up for email updates on the division website.

Code review phase

► January 2027 – Rulemaking Advisory Committee meeting

A Rulemaking Advisory Committee meeting is scheduled to allow for the review of the Residential Reach Code proposals and BCD's proposed provisions.

► April 2027 – Residential and Manufactured Structures Board meeting

The Residential and Manufactured Structures Board will review and make a final recommendation to the division for adoption.

► June 2027 – Construction Industry Energy Board meeting

The Construction Industry Energy Board will review the Residential and Manufactured Structures Board recommendations for the Residential Reach Code provisions.

Rulemaking phase

► June 2027 – Public rulemaking hearing

The division will hold a public hearing where interested parties can provide testimony about the proposed code provisions.

► July 1, 2027 – Anticipated effective date

The 2026 Oregon Residential Reach Code will be available for use and posted on the division's website.
