

Downloading and Installing Android Oregon Inspector App

<https://citygovapp.com/app/oiaandroid.htm>

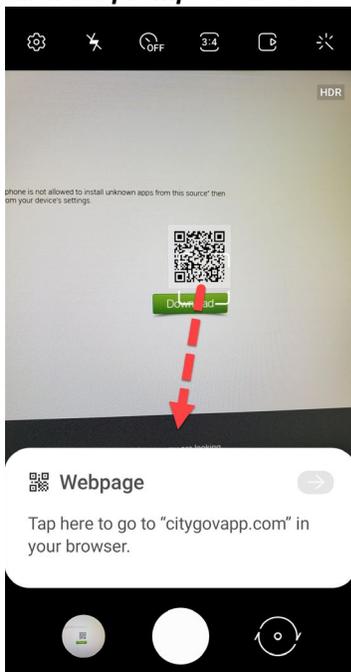

There are three options to download and install the Android Oregon Inspector App using the above URL:

1. [Open the URL above on a computer and use the QR code.](#)
2. [Open the URL above on the mobile device and use the Download button.](#)
3. [Work with your IT department to install the MDM file on your agency's app catalog.](#)

Option #1 - Open the URL above on a computer and use the QR code:

IMPORTANT: This is the most straightforward method.

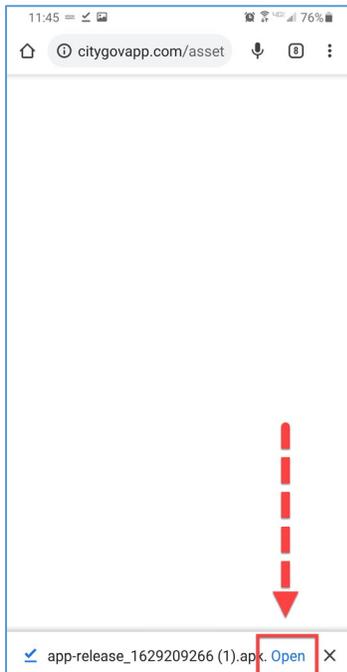

1. Go to [this URL](#) on a computer, at your desk for example.
2. Open the **Camera App** on your **mobile device** > Point it at the **QR code** (black and white square) on the webpage.
3. A **white viewfinder** will automatically recognize the QR code.
4. Click the **prompt** at the bottom of the screen to open citygovapp.com in your browser.

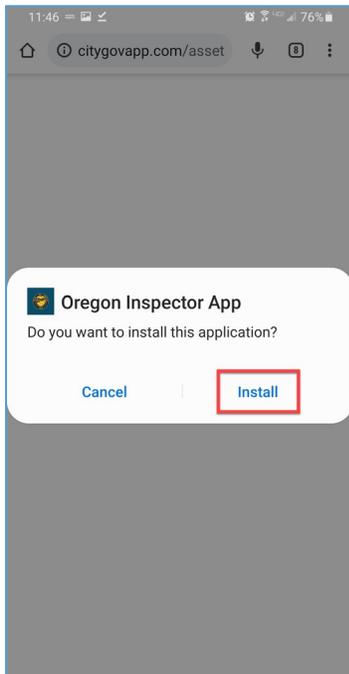

5. Your browser will open our app developer's webpage and automatically prompt to download the install file (.APK). Click **Download**.

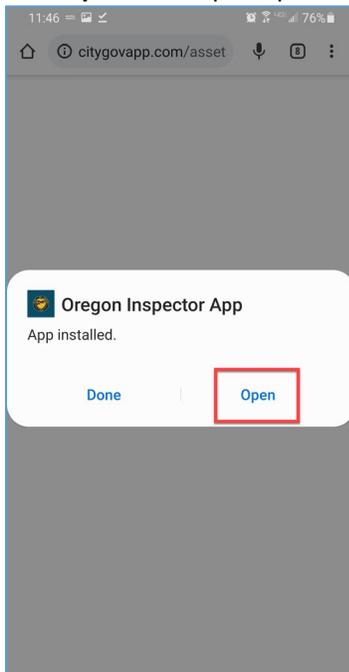

6. Once the .APK file is downloaded, click **Open**.

7. Click **Install**.

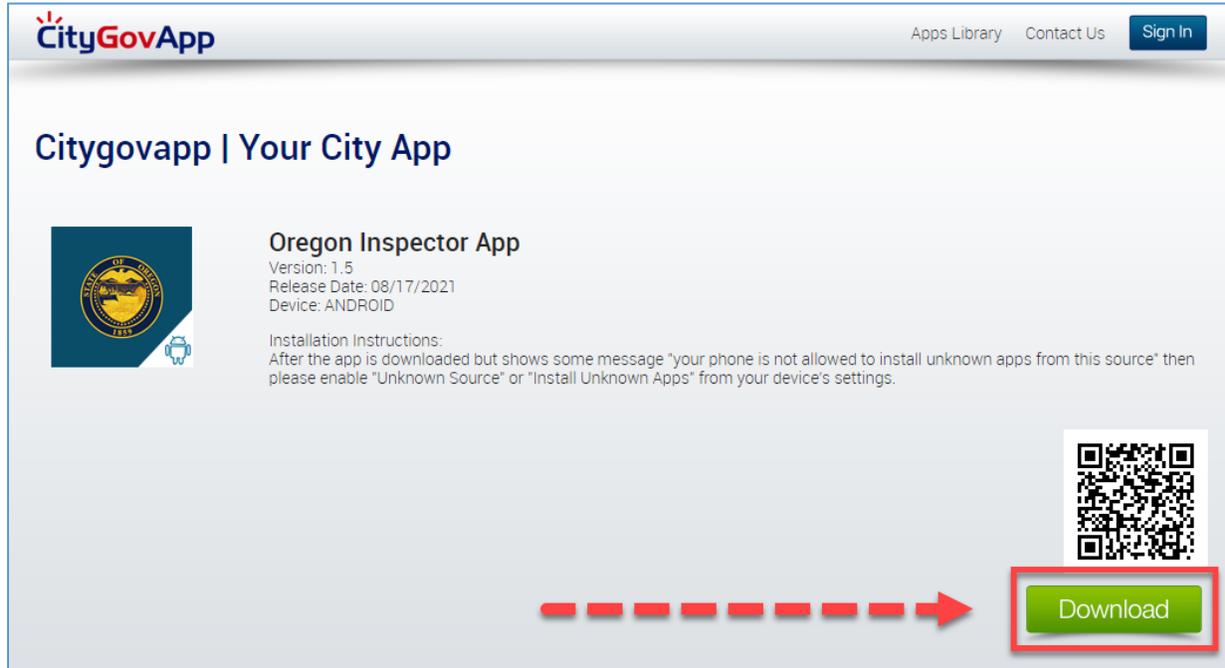

8. Click **Open** at the prompt to finally open the app.

Option #2 - Open the URL above on an Android phone ONLY and use the Download button:

1. Go to [this URL](#) on your **mobile device** where you will be using the Oregon Inspector App.
2. Click on the **Download** button.

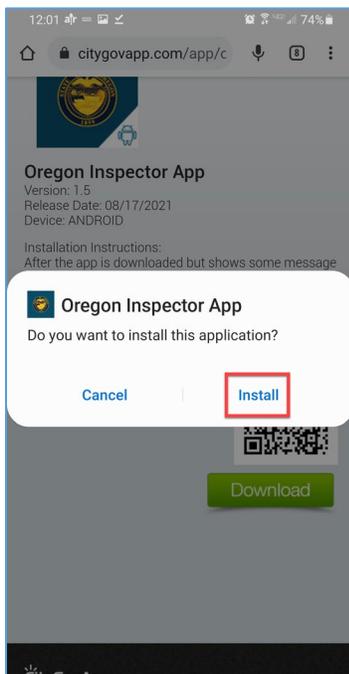

3. Click *Download*.

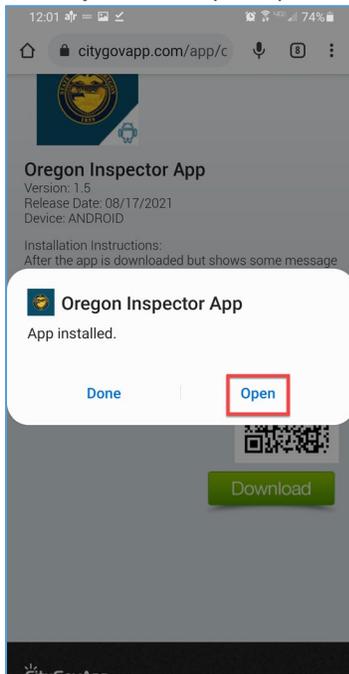

9. Click **Open**.

10. Click **Install**.

11. Click **Open** at the prompt to finally open the app.

Option #3 - Work with your IT department to install the MDM file on your agency's app catalog:

Note: This option only applies to agencies whose security policies require an MDM file. Please work with your IT staff to determine if this applies to you. Your IT staff will need to perform the following steps to get the MDM file and will then work with you to install the app on your device.

1. Go to [this URL](#).
2. Click on the **Download MDM** button to download a ZIP file with the MDM file.
