

Oregon Building Codes Divison 2017 BCD Code Change cycle

Classes provided October 2017 through April 2018

This list contains Oregon Inspector Certification (OIC) holders who attended a 2017 BCD code change class

If you don't see your name, or a certification and/or class completed date by your name, but you believe you attended a class, please email your name and OIC number to codechange.bcd@oregon.gov.

What certifications required code change for the 2017 cycle? See list in colored headings below for electrical, plumbing and residential structural.

(Commercial structural and commercial plans examiners certifications did not require a class during the 2017 code change cycle)

(Helpful Tip: Use keyboard shortcut, Ctrl + F, to find your last name)

Inspector Certification Holders			Electrical - Commercial and Residential required (includes EI, CAE, SEI, SSI certification)					Plumbing - Commercial and Residential required (includes PI, CAP, SPI, MGI certificaion)					Structural - Residential only required (includes CAS, CAX, SMRI certification)			
First name	Last name	OIC cert #	EI cert #	CAE cert #	SEI cert #	SSI cert #	Completed date	PI cert #	CAP cert #	SPI cert #	MGI cert #	Completed date	CAS cert #	CAX cert #	SMRI cert #	Completed date
Aaron	Cillo-Gobel	OIC3148		2024CAE			4/12/2018	5636PI	2049CAP	SPI2100		1/25/2018	2468CAS	2486CAX		2/14/2018

Oregon Building Codes Division 2017 BCD Code Change cycle

Classes provided October 2017 through April 2018

This list contains Oregon Inspector Certification (OIC) holders who attended a 2017 BCD code change class

If you don't see your name, or a certification and/or class completed date by your name, but you believe you attended a class, please email your name and OIC number to codechange.bcd@oregon.gov.

What certifications required code change for the 2017 cycle? See list in colored headings below for electrical, plumbing and residential structural.

(Commercial structural and commercial plans examiners certifications did not require a class during the 2017 code change cycle)

(Helpful Tip: Use keyboard shortcut, **Ctrl + F**, to find your last name)

Inspector Certification Holders			Electrical - Commercial and Residential required (includes EI, CAE, SEI, SSI certification)					Plumbing - Commercial and Residential required (includes PI, CAP, SPI, MGI certificaion)					Structural - Residential only required (includes CAS, CAX, SMRI certification)
