

Limited Maintenance Specialty Contractor (LMS)

ORS 918-282-0050

The scope of work allowed with a Minor Label is regulated by license type. This does **not** allow any business/person to make an installation or perform any work that is not authorized by the scope of the contractor's and individual's license. Any Minor Label purchased under the Limited Maintenance Specialty Contractor (LMS) license is limited to this scope of work. **Any work done outside of this scope is in violation of the minor label program.** The license number is printed on each label.
