

# VOCATIONAL REHABILITATION SERVICES

**OREGON  
COMMISSION  
FOR THE  
BLIND**

# LET US HELP YOU FIND A JOB AND STAY EMPLOYED

Our services are free and state-wide for Oregonians who experience blindness. We can help job-seekers find employment and employers hire highly-qualified candidates.

## WHAT WE OFFER

Our vocational counselors work with eligible Oregonians who are blind to develop plans that will address their unique needs and help them reach their employment goals.

### Specialized services can include:

- Adjustment to vision loss training and support
- Adaptive skills and travel training
- Communication and self-advocacy coaching
- Vocational counseling and guidance
- Job search assistance and vocational skills training
- Adaptive technology and low vision aids
- Paid internship opportunities
- On-site job retention services and support

Contact us today to find out if our services are right for you or someone you know!
