BEFORE THE STATE OF OREGON
BOARD OF LICENSED SOCIAL WORKERS

In the Matter of) Board Case #2024-27
)
LONNY R. WEBB, MSW)
LCSW #5881 (EXPIRED)) STIPULATED FINAL ORDER
LCSW #11887 (ACTIVE)) (Assessment of Civil Penalties)
)
Respondent.)

1.

The Board of Licensed Social Workers (hereafter referred to as "Board") is the state agency responsible for licensing, certifying, regulating, and disciplining regulated social workers in the State of Oregon, including but not limited to Licensed Clinical Social Workers, Licensed Master's Social Workers, and Clinical Social Work Associates, pursuant to ORS 675.510 to 675.600 and OAR Chapter 877.

2.

Lonny R. Webb, MSW, (hereafter referred to as "Respondent") has been licensed as a Licensed Clinical Social Worker (LCSW) from July 1st, 2013 to July 30th, 2023, and from July 19th, 2024, to present in the State of Oregon. At all times material herein, Respondent was subject to the jurisdiction of the Board. Respondent has not previously been disciplined by the Board.

3.

3.1 On May 16th, 2023, the Board sent Respondent a license renewal notice via email to Respondent's email address of record that notified Respondent his LCSW license must be renewed by June 30th, 2023. The license renewal notification was sent to Respondent 45 days prior to the renewal due date.

3.2 On May 31st, 2023, the Board sent Respondent a second license renewal notice via email to Respondent's email address of record that notified Respondent his LCSW license must be renewed by June 30th, 2023. This second license renewal notification was sent to Respondent 30 days prior to the renewal due date.

3.3 Respondent did not renew his LCSW licensure by the renewal due date of

June 30th, 2023.

3.4 On July 1st, 2023, the Board sent Respondent a third license renewal notice that notified Respondent his license renewal was late and must be renewed by July 30, 2023, including payment of a late fee, or his LCSW license would expire.

3.5 Respondent did not renew his LCSW license, which expired on July 30th, 2023.

3.6 Beginning on August 15th, 2023, the Board's online licensee verification system that is visible to the public showed Respondent's licensure status as "Expired."

3.7 On or around May 28th, 2024, Respondent became aware that his LCSW license had expired and contacted the Board. That day, Board staff notified Respondent to cease practice of clinical social work because Respondent was not actively licensed due to his license having expired July 30th, 2023.

3.8 Thereafter, on May 28th, 2024, the Board received from Respondent an application for an initial LCSW license. The Board reviewed and processed Respondent's application in the normal course.

3.9 On June 21st, 2024, the Board received a complaint that alleged Respondent conducted a custody evaluation that involves the practice of clinical social work practice without being licensed. The Board opened an investigation.

3.10 On July 19th, 2024, the Board issued Respondent an initial LCSW license after determining the application complete and Respondent met the qualifications for LCSW licensure.

3.11 Thereafter, the Board's investigation revealed that Respondent had engaged in the practice of clinical social work while not licensed with the Board nor exempt from licensure in violation of ORS 675.523, from August 1st, 2023, through July 18th, 2024. The Board's investigation identified during that period of time Respondent provided clinical social work services to fifty-eight (58) clients while Respondent was not licensed with the Board nor exempt from licensure. The Board's investigation did not identify any of those clients were harmed by Respondent's unlicensed practice.

3.12 Respondent admits to having engaged in the practice of clinical social work while not licensed with the Board nor exempt from licensure. Respondent admits to having engaged in this unlicensed practice after being notified by the Board in writing to cease providing clinical social work

1 services due to Respondent's license having expired. Respondent admits that after being notified
2 by the Board to cease practice Respondent provided social work services to 6 (six) existing clients
3 who were experiencing acute circumstances and opted to maintain supportive non-clinical
4 engagement with Respondent so they were not left without care.

5 **4.**

6 Based on the above, the Board finds and concludes, and Respondent admits, that from
7 August 1st, 2023, to July 18th, 2024, Respondent engaged in the practice of clinical social work with
8 58 clients while not licensed with the Board nor exempt from licensure, in violation of ORS 675.523.
9 The Board finds and concludes that each client with whom Respondent engaged in the unlicensed
10 practice of clinical social work is a separate violation of ORS 675.523. Thereby, the Board finds and
11 concludes, and Respondent admits, to having committed 58 violations of ORS 675.523.

12 **5.**

13 The Board considers the requirement for a license or certificate to practice clinical social work
14 to be foundational to its statutory charge to protect the people of Oregon by regulating the practice
15 of social work through licensure and compliance with statutory and administrative requirements. The
16 Board considers significant in determining the sanction to be imposed for Respondent's violations of
17 ORS 675.523 in this case that the Board's investigation did not identify any of those clients were
18 harmed by Respondent's unlicensed practice.

19 **6.**

20 Respondent and the Board desire to resolve this matter by issuance of this Stipulated Final
21 Order pursuant to ORS 183.417(3), and other applicable authority.

22 **7.**

23 Respondent understands, acknowledges, stipulates, and agrees to the following:

- 24 **7.1** This Stipulated Final Order (hereafter "Order") will be submitted to the Board for approval
25 and is subject to and conditioned upon approval by the full Board.
- 26 **7.2** The Order below, once issued, is a Final Order.
- 27 **7.3** Respondent voluntarily agrees to and accepts the assessment of the civil penalties in
28 the Order, pursuant to ORS 675.540(7) and ORS 675.595(9) and (16).

1 **7.4** Respondent is assessed as part of the issuance of this Order, a civil penalty in the
2 amount of \$1,000.00 (one thousand dollars) for each violation of ORS 675.523 for total
3 civil penalties in the amount of \$58,000.00 (fifty-eight thousand dollars) for the violations
4 found herein, pursuant to ORS 675.540(7) and 675.595(9) and other applicable
5 authority. Respondent understands that the Board is suspending payment of \$52,200.00
6 (fifty-two thousand, two hundred dollars) of the civil penalties assessed in this Order
7 provided that Respondent fully and completely complies with all the terms of this Order
8 and does not hereafter engage in any conduct, act, or practice that violates the statutes
9 and rules administered and enforced by the Board (ORS 675.510 to 675.600 and OAR
10 Chapter 877).

11 Respondent further understands that if Respondent does not fully and completely
12 comply with each and every term of this Order or engages in any activity that violates
13 ORS 675.510 to 675.600 or OAR Chapter 877, then the total amount of civil penalties
14 assessed in this Order plus interest owed at the legal rate of interest from the effective
15 date of this Order pursuant to ORS 82.010 minus any amounts paid becomes
16 immediately due, payable, and collectable.

17 **7.5** The amount of civil penalty that is not suspended as set out in Section 7.4, \$5,800.00
18 (five thousand eight hundred dollars), must be paid in full within 30 days of issuance of
19 this Order, unless a monthly payment plan is agreed to and accepted by the Board or
20 the Executive Director for the Board. The monthly payment plan cannot exceed one year
21 and 12 monthly installment payments.

22 **7.6** This Stipulation and Order is a public document and a matter of public discipline,
23 pursuant to ORS 675.540 and other applicable authority. This document must be
24 disclosed, published and reported in accordance with ORS 676.175(5)(a)(D), OAR 877-
25 040-0050, and Oregon Public Records Law.

26 **7.7** Any violation of the terms of this Order shall be grounds for action by the Board. The
27 Board has the right to take action against Respondent to enforce this Order, for any
28 violation thereof, or for other violations of ORS 675.510 to 675,600 or OAR Chapter 877
 not stated herein.

7.8 This Stipulation and Order in no way limit or prevent further remedies, sanctions, or
 actions which may be available to the Board under Oregon law for conduct or actions of
 Respondent not covered by this Stipulation and Order, or against a party not covered by
 this Stipulation and Order.

7.9 Respondent has fully read this Stipulation and Order and understands it completely.
 Respondent has consulted with an attorney regarding this Stipulation and Order, and
 has been fully advised in regards thereto, or waives any and all rights to consult with an
 attorney prior to signing this Stipulation and issuance of the Order.

7.10 Respondent stipulates to issuance of the Order voluntarily and without any force or
 duress. Respondent states that no promises or representation not stated herein have
 been made to induce Respondent to sign this Stipulation and agree to issuance of the
 Order.

1 **7.11** Respondent understands that Respondent has the right to notice and a contested case
2 hearing under the Administrative Procedures Act (ORS Chapter 183), and fully, finally,
3 and forever waives any and all such rights and any rights to appeal or otherwise
4 challenge this Stipulation and Order.
