**RULE SUMMARY**

The proposed rule revisions in effect adopt as permanent rules the temporary rules filed by the Board of Licensed Social Workers on July 5, 2011. The proposed rule therefore proposes to make the following changes to Board rules (OAR Chapter 877) on a permanent basis, effective January 1, 2012:

Limits applicability of LCSW late renewal fee increase to \$200 adopted by the Board effective January 1, 2011 (legislatively ratified in HB 5009- 2011) to LCSWs renewing on active status;

provides Board authority to waive fees for licensees on active military duty and deployed outside of Oregon for 90 days or more;

clarifies authority of Board Chair including administrative approvals between Board meetings related to licensure;

removes requirement that applicant for LCSW licensure must hold LMSW license (implementing House Bill 2314 – 2011);

clarifies process and requirements for out-of-state applicants for LCSW who intend to practice prior to issuance of LCSW;

specifies types of continuing education that will meet the requirements for licensure or certification renewal for LCSWs, LMSWs, and RBSWs;

makes other housekeeping and technical changes.

The Agency requests public comment on whether other options should be considered for achieving the rule's substantive goals while reducing negative economic impact of the

The Agency requests public comment on whether other options should be considered for achieving the rule's substantive goals while reducing negative economic impact of the rule on business.
