APPRENTICESHIP AND TRAINING DIVISION
Oregon Bureau of Labor and Industries

Subject: Registered Apprenticeship Town Hall Meeting Invitation

The Bureau of Labor and Industries’ Apprenticeship and Training Division (ATD) invites all program sponsors, training agents, committee members, educational partners, apprentices and the broader registered apprenticeship community to join us at one of a series of Town Hall meetings. ATD staff will provide an update on its Legislatively approved budget which includes a note that directs BOLI to research and develop alternatives for generating non-General Fund operating revenue to support agency activities and services related to apprenticeship and training. The agency will report back to the 2020 Legislature with a recommended funding model and we are soliciting ideas and feedback from stakeholders. In addition, these Town Hall Meetings will give ATD an opportunity to discuss the state of registered apprenticeship in Oregon and share our vision for the future of apprenticeship. These meetings will include an open forum for participants to discuss topics of interest and share their own ideas about how we can improve the State registered apprenticeship system. ATD staff will host and moderate these forums.

We will reserve time to answer questions from the apprenticeship community, including questions submitted in advance of and during the meeting. Depending on the nature and number of questions received in advance of the meeting, it may not be possible to respond to all of the questions that were submitted, or to respond individually to each of the submitted questions.
