IV. STAFF REPORTS
Based on recent reports, it is anticipated that the number of registered apprentices will exceed 10,000 by the end of 2018 or early 2019.

V. FOLLOW-UPS FROM PREVIOUS COUNCIL MEETINGS

A. Oregon State Industrial Electrical JATC Status Report
Mr. Boston reported on the Oregon State Industrial Electrical JATC minimum guideline committee, which met twice this year. The minimum guideline Manufacturing Plant Electrician and Limited Maintenance Electrician standards are both being reviewed by the State Electrical Board on November 29, 2018. Changes proposed include an inverted ratio, to which Mr. Heavyside voiced opposition. There was discussion regarding safety issues related to implementing an inverted ratio.

Speakers:  Tyler Boston, Member, Mid-Willamette Industrial Electrical JATC (MA 2008)  
Steve Heavyside, Chair, Oregon Industrial Development Training JATC (MA 1143)

6007  **BAKER TECHNICAL INSTITUTE JATC**

- Inside Electrician, 0159.0
  - New Standard *(Attendance Required)*

The Division requested documentation from the committee demonstrating that MA 6007 is an NCCER Accredited Training Sponsor. If documentation cannot be provided, the Division will cite the committee in the **2019 first quarter** to remove the Manufacturing Plant Electrician standard approved **September 20, 2018**.

Ms. Hills objected to the creation of a new Inside Electrician standard in Baker County as the trade is already offered by the Area VI Inside Electrical JATC (MA 6013). The Division will review the objection and provide a report on its investigation into the objections at the **December 20, 2018** Council meeting.

Speakers:  
- Tonia Springer, Administrator, MA 6007  
- Kevin Kommer, Chair, MA 6007  
- Jennifer Hills, Administrator, MA 6013

**M/S/C by roll call vote to recommend approval of the MA 6007 new standard for Inside Electrician pending documentation of NCCER approval.** The motion was carried with a standing objection subject to investigation.
