What do Tile Professionals do?

Tile Finishers

Tile Finishers supply and mix construction material for the installation of ceramic, marble, and granite tiles. This is a one-year apprenticeship program that is a prerequisite to the Tile Setter program.

Tile Setters

Tile Setters install tile in homes and commercial buildings, including floors, bathrooms, and kitchens. Tile is cut and installed to properly cover a specific surface.

ON THE JOB TRAINING

Approximately 6,000 hours of on-the-job training are required for completion of apprenticeship. Tile apprentices will learn Install, Metal Lath, Floating Walls; How to check for level, plumb, square, and layout dimensions; Installation of Portland Cement Mortar Beds, Level Underlayment, Achieving Proper Slope; Installation of Tile with Epoxy or Furnace Systems; Installation of Tile in Fresh Mortar or Mastic; Installation of Crack Membrane and Waterproof Membrane; Additional Work Processes.

RELATED TRAINING

A minimum of 144 hours of classroom training is required each year to complete the program. This is broken up into modules that are taught through the NTCA and monthly hands on classes.

WAGE SCHEDULE

Apprentice wages are based upon the average wage for journey workers employed by participating training employers. Apprentices are paid a progressive percentage of that average journey wage as follows:
