This program conforms to the Equal Employment Opportunity in Apprenticeship Plan, OAR 839-011-0200, minorities and women are strongly encouraged to apply.

This program is registered with the Oregon State Apprenticeship & Training Council and is recognized by Washington State Apprenticeship and Training Council under the terms and conditions of the reciprocal agreement.

ON-THE-JOB TRAINING:

Approximately 8,000 hours of on-the-job training are required for completion of apprenticeship.

Carpenters apprentices will learn form building, pre-fabricated concrete installation, rough framing, outside finishing, inside finishing, acoustical and drywall, finish hardware, layout, care and use of tools and woodworking machinery, walkways and shed construction, safety and protection device construction, installation of pre-fabricated modules, and scaffolding.

RELATED TRAINING:

A minimum of 144 hours of classroom training is required each year to complete the program. This is broken up into three terms of one class per term. Classes are held at Lane Community College in Eugene, OR and Northwest College of Construction in Portland, OR.

WAGE SCHEDULE:

Apprentice wages are based upon the average wage for journey workers employed by participating training employers. Apprentices are paid a progressive percentage of that average journey wage as follows:
