APPRENTICESHIP STANDARDS

The Oregon State Apprenticeship and Training Council (OSATC) has the authority to develop, administer, and enforce apprenticeship program standards (Standards) for the operation and success of an apprenticeship or on-the-job-training program in the State of Oregon. Apprenticeship programs and committees function to administer, exercise or relinquish authority only with the consent of the OSATC and only apprentices registered with or recognized by the Oregon State Bureau of Labor and Industries (BOLI), Apprenticeship and Training Division (ATD) will be recognized by the OSATC. Parties signatory to these apprenticeship standards declare that their purpose and policy is to establish and sponsor an organized system of registered apprenticeship and training education.

These Standards are in conformity with and are to be used in conjunction with the Apprenticeship Rules, Chapter 839-011 OAR (Oregon Administrative Rules); Apprenticeship and Training Statutes, Chapter 660 ORS (Oregon Revised Statute); The National Apprenticeship Act, 29 U.S.C. (United States Code) 50; Apprenticeship Programs, Title 29 Part 29 CFR (Code of Federal Regulations); and Equal Employment Opportunity in Apprenticeship and Training, Title 29 Part 30 CFR which collectively govern the employment and training in apprenticeable occupations. They are part of the apprenticeship agreement and bind all signers to compliance with all provisions of registered apprenticeship.

If approved by the council, such amendment(s) and such changes as adopted by the council shall be binding to all parties on the first day of the month following such approval. Sponsors shall notify apprentices and training agents of changes as they are adopted by the council. If and when any part of these Standards becomes illegal, as it pertains to federal and/or state law, that part and that part alone will become inoperative and null and void, and the Bureau of Labor and Industries (BOLI) may recommend language that will conform to applicable law for adoption by the OSATC. The remainder of the Standards will remain in full force and effect.

See ORS Chapter 660 & OAR 839-011 for the definitions necessary for use with these Standards.

Sections of the standard inside of a border are specific to the individual standard and may be modified by the sponsor by submitting a revised standard for approval by the Oregon State Apprenticeship and Training Council. All other sections of the standard are boilerplate and may only be modified by the Council.

I. GEOGRAPHIC AREA COVERED:

The sponsor only has authority to recognize training agents (employers) that maintain their principal place of business inside of the geographical area covered by these standards. Training agents that maintain their principal place of business outside of the geographical area covered by this standard may only be recognized as traveling training agents when working in geographic area covered by this standard. The Sponsor will ensure compliance with the provisions for traveling training agents and of any Reciprocity Agreement recognized by the OSATC. (See ORS 660.137 / OAR 839-011-0260 / OSATC Policy # 16)

The geographic area covered by these standards shall be Multnomah, Washington, Clackamas, Columbia and northern half of Yamhill Counties in the State of Oregon.

II. MINIMUM QUALIFICATIONS:

Minimum qualifications must be clearly stated and applied in a nondiscriminatory manner (See ORS 660.126 (1b)). Documentation must be provided for all minimum qualifications:

- Age: Must be eighteen (18) years of age or older
 - Education:
 1. Provide proof of high school graduation or a general education development (GED) certificate.
 2. Provide documentation of having completed one year of high school algebra or equivalent post high school algebra course(s) with a passing grade ('D' or better for graded classes or 'Pass' for not-graded classes", OR must present current math placement results from a community college facility indicating a placement level beyond high school level algebra.

THE SPONSOR HEREBY ADOPTS:

"The recruitment, selection, employment and training of apprentices during their apprenticeship shall be without discrimination because of race, sex, color, religion, national origin, age, disability or as otherwise specified by law. The sponsor shall take positive action to provide equal opportunity in apprenticeship and will operate the apprenticeship program as required by the rules of the Oregon State Apprenticeship and Training Council and Title 29, Part 30 of the Code of Federal Regulations."

Sponsors with five (5) or more apprentices in an apprenticeable occupation must adopt an Equal Employment Opportunity Plan and Selection Procedures and submit the plans for Council approval. (See OAR 839-011-0200 / Sections 5 & 6 of the Oregon Equal Employment Opportunity in Apprenticeship (OEEOA) / Council policy # 23).

A. SELECTION PROCEDURES:

The committee shall select apprentices from a pool of eligible applicants according to the following procedure: (ORS 660.137 (3) / OEEOA section 6)

An applicant may be removed from the committee's eligibility lists and/or barred from future application for up to one year for documented acts of abuse, assault, battery, harassment, intimidation, stalking, or other threatening behavior toward an individual involved in the operation of an apprenticeship or training committee, including (but not limited to) committee members, staff to the committee, representatives of participating unions and training agents,

and staff of classroom training facilities.

 - d. All supporting documentation must be submitted by the specified deadline.
 - e. Verification of minimum qualifications: All applications and supporting documentation will be reviewed for minimum qualifications.
4. Non-qualified applicants:

Applicants who do not meet the minimum qualifications will be notified in writing; notification will include the reason for rejection, the requirements for admission to the eligibility pool, and the appeal rights available to the applicant.
5. Ranked Pool of eligibles:
 - a. Qualifying applications will be scored and ranked using the attached point system.
 - b. These individuals will then be placed in a ranked pool of eligibles in rank order and retained on the list for a period of 2 years.
 - c. Individuals may be removed from the pool at an earlier date by their request or by failing to respond to the committee when notified in conformance with the initial employment policy.
 - d. It shall be the responsibility of the applicant to notify the committee of any phone or address change.
6. Placement process:
 - a. Applicants will be placed in the Ready for Employment Pool based on their rank in the pool of eligibles.

 - a. In January of each year the committee will work with its assigned apprenticeship representative to review registration information for the previous five years and determine the average number of annual apprentice indentures. The Ready for Employment Pool for the year will be adjusted if needed to equal 20% of the annual indenture average.
 - b. Individuals will be placed in the Ready for Employment Pool in order of their rank in the

- Ranked Pool of Eligibles and issued an employer selection form.
- c. An employer may select one individual from the Ready for Employment Pool by signing the employer selection form.

 - e. When the Ready for Employment Pool falls to half of the 20% annual indenture average the committee may replenish the pool by moving the next group of applicants from the top of the Ranked Pool of Eligibles to the Ready for Employment Pool.
 - f. If a new apprentice is the current employee of a Training Agent when the new apprentice reaches the top of the candidate list, that Training Agent shall have the first opportunity to indenture the new apprentice.

EXCEPTIONS

1. CURRENT APPRENTICE

Transferring apprentices, who have gained their verifiable experience in a Registered Plumber Apprenticeship Program shall be permitted into the program and may continue their training where they left off. They may apply at any time provided the transferring apprentice meets the current minimum qualifications. If qualified the applicant's name will be placed at the top of the ranked pool of eligibles.

2. EXPERIENCED APPRENTICE

Returning apprentices, who have gained their verifiable experience within the last five years in a Registered Plumber Apprenticeship Program and were not cancelled for cause, shall be permitted to return to the program and may resume their training where they left off, instead of returning as a beginning apprentice. The sponsor will approve the direct referral into apprenticeship openings of graduates successfully completing the following pre-apprenticeship programs if they meet the minimum requirements:; U.S. Job Corps; other programs approved by the State Apprenticeship Council and the local committee

This priority is granted by the program sponsor without regard to established candidate lists or the necessity of requiring these pre-apprenticeship graduates to further qualify by complying with application openings. Individuals that have satisfactorily completed an approved program will be provided direct placement when a training agent agrees to

sponsor them in the apprenticeship program.

12. VETERANS ENTRY

Veterans who have completed 178 days of active service within the past 24 months may apply to the program at any time if they meet the minimum qualifications of the program and if they are:
