APPRENTICESHIP STANDARDS

The Oregon State Apprenticeship and Training Council (OSATC) has the authority to develop, administer, and enforce apprenticeship program standards (Standards) for the operation and success of an apprenticeship or on-the-job-training program in the State of Oregon. Apprenticeship programs and committees function to administer, exercise or relinquish authority only with the consent of the OSATC and only apprentices registered with or recognized by the Oregon State Bureau of Labor and Industries (BOLI). Apprenticeship and Training Division (ATD) will be recognized by the OSATC. Parties signatory to these apprenticeship standards declare that their purpose and policy is to establish and sponsor an organized system of registered apprenticeship and training education.

These Standards are in conformity with and are to be used in conjunction with the Apprenticeship Rules, Chapter 839-011 OAR (Oregon Administrative Rules); Apprenticeship and Training Statutes, Chapter 660 ORS (Oregon Revised Statute); The National Apprenticeship Act, 29 U.S.C. (United States Code) 50; Apprenticeship Programs, Title 29 Part 29 CFR (Code of Federal Regulations); and Equal Employment Opportunity in Apprenticeship and Training, Title 29 Part 30 CFR which collectively govern the employment and training in apprenticeable occupations. They are part of the apprenticeship agreement and bind all signers to compliance with all provisions of registered apprenticeship.

If approved by the council, such amendment(s) and such changes as adopted by the council shall be binding to all parties on the first day of the month following such approval. Sponsors shall notify apprentices and training agents of changes as they are adopted by the council. If and when any part of these Standards becomes illegal, as it pertains to federal and/or state law, that part and that part alone will become inoperative and null and void, and the Bureau of Labor and Industries (BOLI) may recommend language that will conform to applicable law for adoption by the OSATC. The remainder of the Standards will remain in full force and effect.

See ORS Chapter 660 & OAR 839-011 for the definitions necessary for use with these Standards.

Sections of the standard inside of a border are specific to the individual standard and may be modified by the sponsor by submitting a revised standard for approval by the Oregon State Apprenticeship and Training Council. All other sections of the standard are boilerplate and may only be modified by the Council.

I. GEOGRAPHIC AREA COVERED:
The sponsor only has authority to recognize training agents (employers) that maintain their principal place of business inside of the geographical area covered by these standards. Training agents that maintain their principal place of business outside of the geographical area covered by this standard may only be recognized as traveling training agents when working in geographic area covered by this standard. The Sponsor will ensure compliance with the provisions for traveling training agents and of any Reciprocity Agreement recognized by the OSATC. (See ORS 660.137 / OAR 839-011-0260 / OSATC Policy # 16)

The geographic area covered by these standards shall be Jackson and Josephine counties in the State of Oregon.

II. MINIMUM QUALIFICATIONS:
Minimum qualifications must be clearly stated and applied in a nondiscriminatory manner (See ORS 660.126 (1b). Documentation must be provided for all minimum qualifications:
III. CONDUCT OF PROGRAM UNDER OREGON EQUAL EMPLOYMENT OPPORTUNITY IN APPRENTICESHIP PLAN (OAR 839-011-0200):

Standards must include the Oregon Equal Employment Opportunity in Apprenticeship and Training Pledge (See OEEOA Section 4)

**EEO PLEDGE**

The sponsor will not discriminate against apprenticeship applicants or apprentices based on race, color, religion, national origin, sex (including pregnancy and gender identity), sexual orientation, genetic information, or because they are an individual with a disability or a person 40 years old or older. The sponsor will take affirmative action to provide equal opportunity in apprenticeship and will operate the apprenticeship program as required under Title 29 of the Code of Federal Regulations, part 30.

Sponsors with five (5) or more apprentices in an apprenticeable occupation must adopt an Equal Employment Opportunity Plan and Selection Procedures and submit the plans for Council approval. (See OAR 839-011-0200 / Sections 5 & 6 of the Oregon Equal Employment Opportunity in Apprenticeship (OEEOA) / Council policy # 23).

A. **SELECTION PROCEDURES:**

The committee shall select apprentices from a pool of eligible applicants according to the following procedure: (ORS 660.137 (3) / OEEOA section 6)

1. All out of work apprentices in good standing will be offered the opportunity for re-employment prior to new applicants being registered in conformance with the committee’s approved initial employment policy.

2. **PRIOR TO OPENING:**

   a. All out of work apprentices shall be afforded an opportunity for reemployment prior to registering new apprentices, in accordance with the committee’s placement process.

   b. The committee will accept applications on a year-round basis, on dates, times and locations specified by the committee.

   c. Per the Affirmative Action plan, public notice of the program opening shall be distributed at least every six months. Notices shall be distributed not less than 30 days in advance of the first date an application can be accepted. Prior to distributing notices, the proposed public notice shall be provided to the assigned apprenticeship representative a week in advance to be approved.
The following will be included in the opening announcement:

- address to obtain and return applications;
- minimum qualifications to enter the program;
- general duties of the occupation;
- the geographical area covered by the program;
- supporting documentation required and applicable timelines and dates when applications will be processed and ranked.

APPLICATION PROCESS:

a. Applications shall be provided to any interested individual. Requests may be made via email or in writing, applications will be date stamped upon receipt. Incomplete applications will not be accepted.

APPLICATION RECORD KEEPING:

a. All applicants shall be identified by a log number, which shall correspond to the application number.

b. When an application is provided to an individual, an electronic or paper record shall be made (Applicant Log) detailing the history of the individual applicant:
   - noting the date the application was provided
   - the ethnicity and gender of the applicant
   - the date the application was returned to the program sponsor
   - date(s) when the minimum qualifications and supporting materials were received
   - date the application was scored; and
   - date of final disposition (placed in the ranked pool, not ranked, or did not meet the minimum qualifications).

c. The cut-off postmark date for submitting applications and supporting documentation for qualifying and scoring will be stated in the opening announcement.

d. All applications and supporting documentation will be reviewed to determine if minimum qualifications are met.

APPLICATIONS NOT MEETING MINIMUM QUALIFICATIONS:

a. Applicants who do not meet the minimum qualifications established in the public notification and standards will be notified in writing by the committee’s coordinator with reasons why the applicant was disqualified, the requirements for admission and appeal rights available to the applicant.

APPLICATIONS MEETING MINIMUM QUALIFICATIONS:

a. Individuals who complete the application and meet the minimum qualifications shall be scored based upon the attached point system on the date established in the opening announcement.

RANKED POOL

a. Applicants will be scored based on the point system listed in Appendix A. The scores and rank will be approved at committee meetings as scheduled or as needed to assure the efficient operation of the ranked pool.
b. Individuals who are placed in the ranked pool will remain eligible for dispatch for two years from the time of initial application, except that an applicant may be removed at an earlier time based upon:
   - the applicant’s request;
   - the applicant’s failure to keep the committee administrator informed of a current address, phone number and/or message number as specified in the committee’s initial employment policy or;
   - the applicant’s failure to respond to an apprentice job assignment as specified in the committee’s initial employment policy.

c. Individuals who are removed from the ranked pool will be provided a written notice of the action, the reason(s), and the rights of appeal in conformance with these standards.

DISPATCH OF ELIGIBLE APPLICANTS:

a. As training agents request apprentices, individuals will be dispatched in a descending order from the ranked pool.

b. If a ranked applicant fails or refuses to contact the employer requesting dispatch within 48 hours from time of notification, the applicant must notify the administrator in writing within 7 calendar days from the date of dispatch, of the reason for failure or refusal. Two such instances will be cause for removal from the list. Refusal of a dispatch to an employer outside a 35 mile radius from the applicant’s home address, shall not be cause for removal provided the applicant complies with the written notification requirement.

c. If a training agent rejects an eligible applicant, within 7 calendar days, the training agent will provide the committee with a written, job-related reason and a copy of the training agent’s employment policy.

d. Training Agents must notify the sponsor of any employment offer made to an applicant referred to them from the ranked pool. The notice must be provided by phone, fax or email within the business day the offer was made.

EXCEPTIONS:

2. EXPERIENCED APPRENTICES
   An experienced apprentice who gained his/her experience in a registered plumber apprenticeship program within the preceding two (2) years and has completed 1,000 OJT hours of experience shall be permitted to enter this program and resume his/her training where he/she left off, instead of entry as a beginning apprentice, provided the applicant meets the current minimum qualifications. The applicant must not have been cancelled for cause prior to application or currently be under any disciplinary action by his/her respective committee. Returning apprentices will be placed at the bottom of the out-of-work apprentice list.

3. NEW TRAINING AGENT
   If any employer has not participated in the training of an apprentice under ORS Chapter 660 for at least two (2) years prior to seeking entry or reentry into the apprenticeship program, that employer may select his/her initial apprentices without going to the pool. Those bona fide employees have been on his/her payroll for at least three (3) months prior to the employer’s application for an apprentice and who meet the minimum
qualifications for entry into the trade or craft may be brought into the program. Once the initial selection of apprentices has been made, the employer is thereafter restricted to the Accepted for Apprenticeship List.

12. VETERAN'S ENTRY

Veterans who have completed 178 days of active service within the past 24 months may apply to the program at any time if they meet the minimum qualifications of the program and if they are:

2. In addition the sponsor will set forth the specific steps that it will take under this plan, review and update the specific steps that it will take to implement the plan at least yearly and submit the updated steps to the Apprenticeship and Training Division (ATD) for review and approval. (OEEOA section 5 & 8)

3. Numerical goals and timetables for the selection of minority and female apprentices shall be included with the sponsor’s annual updated steps. (OEEOA section 5 & 8)

4. The sponsor hereby adopts the following activities in order to enable it to meet its affirmative action obligations.

For programs customarily receiving applications throughout the year, such information shall be regularly disseminated but not less than semiannually. Such information shall be given to Council, local schools, employment offices, women’s centers, outreach programs and organizations that can effectively reach women and minorities, and shall be published in newspapers circulated in the minority community and among women, as well as the general areas in which the sponsor operates.

The committee will identify other apprenticeship program sponsors and community organizations with whom they may collaborate. The sponsor will seek out and support programs to prepare and encourage women to enter traditionally male occupations.

7: **UTILIZE JOURNEY WORKERS IN AFFIRMATIVE ACTION**

Include journey level workers in the implementation of the affirmative action plan.

8: **GRANT ADVANCED STANDING OR CREDIT EQUALLY FOR ALL APPLICANTS**

Grant advanced standing or credit on the basis of previously acquired experience, training skills, or aptitude for all applicants equally.

C. **DISCRIMINATION COMPLAINTS:**

1. Any apprentice or applicant for apprenticeship who believes they have been discriminated against with regards to apprenticeship by the committee may file a complaint. (See OAR 839-011-0200 / OEEOA Section 11)

2. The basis of the complaint may be:

NOTE: The committee realizes that the completion of 7,700 hours of on-the-job training is the ideal, but recognizes that most apprentices will not be able to fulfill the total amount of hours specified in every work process as set forth in this standard. When an apprentice is unable to fulfill the total work hours in each work process the committee will evaluate the apprentice’s knowledge, skills and abilities and provide appropriate additional related instruction to assure that competency is acquired in each work process. The evaluation and summary of the additional instruction will be noted in the apprentice’s file.
IX. RELATED/SUPPLEMENTAL INSTRUCTION:

1. The apprentice must attend related/supplemental instruction for at least 144 hours per year unless otherwise stated in this standard. Time spent in related/supplemental instruction will not be considered as hours of work, and the apprentice is not required to be paid for time so spent. (See ORS 660.126 (1e))

2. The Committee must provide for instruction of the apprentice during the related/supplemental instruction in safe and healthful work practices in compliance with the Oregon OSHA regulations and applicable federal and/or state regulations. (See ORS 660.137)

3. In case of failure on the part of any apprentice to fulfill the related instruction obligation, the sponsor has the authority to withhold the apprentice’s periodic wage advancement; or with a reasonable opportunity to remedy deficiencies, suspend, or cancel the Apprenticeship Agreement. (See ORS 660.157 (4))

4. Clock hours of actual attendance by the apprentice in related/supplemental instruction classes at the community college, training trust or other approved training provider shall be documented and tracked by the Committee. (See ORS 660.157 (2a))

5. Related instruction activities must be at the direction of a qualified instructor. (See ORS 660.157 (3))

Methods of related/supplemental training must consist of one or more of the following: (See ORS 660.157)

d. Community college;

A minimum of 144 hours of related training shall be required during each year the apprentice is registered in the program. (See ORS 660.126 (e))

The following is a summary of related instruction including required class hours in each element of instruction. A committee may establish and submit clear objectives and outcomes in lieu of hours for each class subject. (See ORS 660.157)

Related training must cover the following subjects and must be completed with a grade of ‘C’ or better for graded classes or ‘Pass’ for non-graded classes.

iii. Upon cancellation a written notice must be provided to the apprentice and to the Apprenticeship and Training Division.

f. Each committee shall utilize the following procedures and time lines for disciplinary action (cancellation or termination). Committees may adopt and submit alternate complaint procedures, for Division review and approval, providing the procedures are reasonably expected to offer equal protection to the apprentice. (See ORS 660.060 (8))

i. At least 22 days prior to potential disciplinary action by a committee
