RULE SUMMARY

The proposed rule amendments would conform the requirements of OAR 839-020-0012 (Wage Statements to Be Provided to Employees) and OAR 839-020-0083 (Records Availability) in the minimum wage rules to related provisions in OL Ch. 115 (2016), which take effect on January 1, 2017. The proposed rule amendments would also correct an erroneous citation in OAR 839-020-0080.

A public rulemaking hearing may be requested in writing by 10 or more people, or by an association with 10 or more members, within 21 days following the publication of the Notice of Proposed Rulemaking in the Oregon Bulletin or 28 days from the date Notice was sent to people on the agency mailing list, whichever is later. If sufficient hearing requests are received, the notice of the date and time of the rulemaking hearing must be published in the Oregon Bulletin at least 14 days before the hearing.

The Agency requests public comment on whether other options should be considered for achieving the rule's substantive goals while reducing negative economic impact of the rule on business.
