RE: Oregon & Southern Idaho District Council of Laborers' Proposed Revision to Definitions of Covered Occupations

To Whom This May Concern:

Please accept this letter on behalf of the JACO Construction, Inc. that we are in opposition of the definition changes requested by the Oregon & Southern Idaho District Council of the Laborers. Based on past practices and traditional understandings we see conflicts with many areas of the proposed changes.

Our company is an Electrical Power Line Contractor working in the State of Oregon and we employ IBEW employees working throughout Oregon.

As an interested party we request any and all notifications of hearings and/or further comment periods to the above requested change.

Respectfully,

Jim N. Bennett  
JACO Construction, Inc.
