Re: *Determination Whether Project is Subject to Prevailing Wage Rate Law*
Project: Village East
Requested by: Guardian Real Estate Services LLC

Dear Mr. Cornelius:

On January 27, 2012, you submitted a request on behalf of Guardian Real Estate Services LLC asking if the Prevailing Wage Rate law would apply to the Village East project ("project"). Sufficient information to make a determination was received on February 1, 2012, and therefore, the commissioner issues the following determination:

FINDINGS OF FACT:

1. Guardian Real Estate Services LLC ("Guardian Real Estate") is planning a major renovation of Village East ("project"). The Village East is an existing one and two story residential apartment complex built in 1981 and located at 6330 Main Street in Springfield, Oregon.
2. Guardian Real Estate is a privately held company. Guardian Real Estate will develop, own and operate the property.

3. Village East consists of seven buildings totaling 42 apartment units. It also has a property management office and a resident community room. There is no commercial space leased or operated within the property. The project includes 2 one-bedroom, 36 two-bedroom and 4 three-bedroom apartments. All but one unit will be designated affordable housing, with resident incomes at or below 30% of the area median family income. The one unit that is not designated affordable housing will be the manager's unit.
4. The project will involve a major renovation of Village East, including siding and roof replacement, window replacement, rebuilding of stairs and decks and replacement of outdated and worn interior components. The proposed work will also include some improvements to the landscaping and grounds.
5. The total project is estimated to cost \$8,427,942. Funding for the project includes the following sources:
 - a. Funds of a public agency: \$200,000
 - i. Oregon Housing and Community Services
 1. Housing Trust Fund Grant - \$200,000
 - b. Other Funds: \$8,227,942
 - i. LIHTC (Low Income Housing Tax Credits) - \$5,761,088
 - ii. Commercial Bank Debt - \$2,244,051
 - iii. Deferred Developer Fee - \$150,000
 - iv. Net Income during Construction - \$72,803

CONCLUSIONS OF LAW:

1. The proposed project does not meet the definition of "public works" under ORS 279C.800(6)(a)(A) because the project will be carried on and contracted for by Guardian Real Estate. Guardian Real Estate is not a public agency.
2. The proposed project does not meet the definition of "public works" under ORS 279C.800(6)(a)(B) because although the project will be privately owned, it will not use \$750,000 or more in funds of a public agency.

DETERMINATION:

The Prevailing Wage Rate laws, ORS 279C.800 to ORS 279C.870, and OAR Chapter 839, Division 025, will not apply to the proposed construction, reconstruction, major renovation and/or painting of the Village East project.

This determination is based on the agency's file as of the date of this determination. The commissioner may make a different determination if any of the project information is incorrect, or if the project or project documents are modified or supplemented after the date of this determination.

REQUEST FOR RECONSIDERATION:

After the commissioner issues a determination, the requestor or any public agency served with a copy of the determination may request that the commissioner reconsider the determination. A request for reconsideration must be submitted in writing to the Prevailing Wage Rate Unit, must include the reason or reasons for the request and any documents in support of the request, and must be received within 15 calendar days of the date the determination was mailed. A request for reconsideration does not toll the time period for requesting a contested case hearing on the determination.

RIGHT TO A HEARING:

The requestor and any person adversely affected or aggrieved by this determination are entitled to a hearing as provided by the Administrative Procedures Act (ORS 183.413 to 183.470) and ORS 279C.817. If you want a hearing, the Bureau of Labor and Industries, Wage and Hour Division, must receive your written request for hearing within 21 days from the date this notice was mailed. Hearing requests should be addressed and delivered to:

Administrator
Wage and Hour Division
Bureau of Labor and Industries
800 NE Oregon St., Suite 1045
Portland, OR 97232

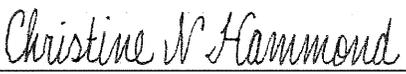

If a written request for hearing is not received within this 21-day period, your right to a hearing shall be considered waived.

If you request a hearing, you will be notified of the date, time and place of the hearing. You have the right to be represented by legal counsel at a hearing. However, if you are a government agency, corporation, partnership, or unincorporated association, you must be represented by either legal counsel or an authorized representative. If you request a hearing, you will receive information on Contested Case Rights and Procedures before the hearing. After the hearing, an order confirming, modifying or reversing this determination will be issued. This determination shall remain in effect until the final order is issued.

If you request a hearing, but fail to appear at any scheduled hearing, you will have waived your right to hearing, and the commissioner may issue a final order by default. If the commissioner issues a final order by default, the agency file on this matter shall serve as the record for purposes of proving a prima facie case. You are not entitled to judicial review of this determination order unless you have made a timely request for a hearing.
