(8) "Fringe Benefits" means the amount of compensation which accompanies or is in addition to a person's regular salary or wages and includes, but is not limited to, payment for profit sharing plans, retirement or pension plans, insurance, sick leave, holidays, severance, or vacation.¶¶

(89) "Fund" means the Wage Security Fund established by ORS 652.409(1); income earned on moneys in the Wage Security Fund, as provided for in 652.409(1); amounts recovered by the Commissioner on wage claims paid out of the "Fund"; and amounts of eligible wage claim payments which are disallowed because of the inability to locate the wage claimant.¶¶

(910) "Judgment" has the definition set forth in ORS 18.005.¶¶

Factors to Be Considered in Making Determinations Related to Eligibility for Payment from the Wage Security Fund-When Employer Has Closed ¶¶

- (1) In determining that an employer has ceased doing business the Commissioner may consider:¶¶
 - (a) Whether the business premises are no longer occupied by the employer;¶¶
 - (b) Whether business operations are being conducted;¶¶
 - (c) Whether customers of the employer are being served;¶¶
 - (d) Whether the employer is employing employees;¶¶
 - (e) Any other information indicating whether the business has ceased its operations.¶¶
- (2) In determining that an employer is without sufficient assets to fully and promptly pay the wage claim at the cessation of business, the Commissioner may consider:¶¶
 - (a) Whether the debts of the employer exceed the total amount of assets;¶¶
 - (b) Whether the liquid assets of the employer are not sufficient to pay the wages due;¶¶
 - (c) Whether the accounts receivable of the employer are not sufficient to pay the wages due;¶¶
 - (d) Whether the claims of a secured creditor on the assets of the employer would exceed the amount due in wages;¶¶
 - (e) Whether the employer has filed for protection under the Bankruptcy Code (The filing of bankruptcy in and of itself does not determine the insufficiency of assets.);¶¶
 - (f) Whether the assets of the employer are in the process of being involuntarily liquidated;¶¶
 - (g) Any other information indicating that the assets of the employer are insufficient to promptly pay the wage claim at the cessation of business.¶¶
- (3) In determining that a wage claim cannot otherwise be fully and promptly paid the Commissioner may consider:¶¶
 - (a) Whether the employee has a right of claim against a bond or deposit held by the employer, which may be used for the purpose of paying wage claims;¶¶
 - (b) Whether the business is in receivership and the type of receivership;¶¶
 - (c) Whether there is a successor to the employer's business;¶¶
 - (d) Any other information indicating that the wage claim cannot otherwise be fully and promptly paid.¶¶
- (4) In determining that the wage claim is valid the Commissioner may consider:¶¶
 - (a) Whether there is judgment of the court;¶¶
 - (b) Whether there is a final administrative order issued pursuant to statute or rule;¶¶
 - (c) Whether the employer acknowledges the amount of wages owed;¶¶
 - (d) The results of the Division's investigation of the wage claim;¶¶
 - (e) Any other information indicating that the wage claim is valid.¶¶

Procedure for Timely and Cost Efficient Method for the Payment of Wages from the Wage Security Fund ¶

(1) ~~¶~~When it has been determined that an employer has ceased doing business in Oregon, the Division shall approve or deny payment from the Fund within 30 days of the date the completed wage claim has been filed or the employer has ceased doing business, whichever is later. At the Division's discretion, the 30 day time period may be extended to 45 days. ¶

(2) When the Commissioner obtains a judgment or issues a final order allowing the claimant to be paid from the Fund and the amount due is not due upon demand by the Commissioner, the Division shall approve payment from the Fund within 30 days of the date after all appeals of the judgment or final order have been exhausted or the wage claimant has provided all necessary documents to proceed, whichever is later. At the Division's discretion, the 30 day time period may be extended to 45 days. ¶

(3) Payments from the Fund for wage claims shall be made not less than once in any month. ¶

(~~34~~) It is the responsibility of the employee to provide and keep the Division advised of the employee's current mailing address and telephone number and the name, mailing address, and telephone number of another individual who will generally always be able to advise the Division of the employee's whereabouts and current address and phone number. ¶

(~~45~~) The Division will mail payments from the Fund to the last known address of the employee as reflected in the Division's records. If the mail is returned, the Division will make one attempt to locate the employee by contacting the individual reflected in the Bureau's records as the person who will generally always know the employee's whereabouts. ¶

(~~56~~) If the employee cannot be located within 45 days after the payment was first mailed to the employee's last known current address as reflected in the Division's records, the wage claim shall be disallowed as eligible for payment from the Fund and the amount of the payment shall revert and be irrevocably added back into the Fund. ¶

(~~67~~) Notwithstanding the provisions of section (5) of this rule, an employee whose claim has been disallowed because the employee could not be located within the time provided for in section (5) of this rule may refile the wage claim with the Division; provided, however, that such refiled wage claim shall be deemed and treated for all purposes as a newly filed wage claim.
