Organizational Background and Staffing Capacity ✓ EC Scored

Describe how your organization has the necessary experience, staffing, and management structure to successfully plan and implement the proposed project. Include any prior experience developing or supporting RAPs or PATPs. Response limited to 350 words.

Organizational Cultural Competency ✓ EC Scored

Describe the experience your organization has, if any, serving individuals from the priority population(s) identified in Part 1 of your application. Describe how the staff, board members, and any relevant key partners— particularly individuals conducting outreach and providing direct services – are reflective of the individuals and/or communities you are going to serve? Responses limited to 350 words.

 Outreach and Engagement Strategies for Identified Priority Populations. ✓ EC Scored

For each Priority Population chosen in Part 1 of your application, please describe: The specific, evidence-based outreach activities and strategies you will undertake to successfully identify and engage with these populations and address the barriers and disparities faced by these individuals. What is new and innovative about your proposed project/program or approach. Response limited to 350 words.

 Budget Narrative ✓ EC Scored

Describe the need and purpose of the expenditures listed in each budget category. How will the budget items support the project and its success? Please also provide a statement regarding the scalability and sustainability of the project and its budget.

 Other Project Funding Sources

Please describe any additional funding sources (state, federal, private sector, or philanthropic contributions) that have been secured and will be leveraged for this project. Response limited to 250 words.
