## Introduction – Apprenticeship Standards

The Oregon State Apprenticeship and Training Council (OSATC) has the authority, under the direction of the Apprenticeship and Training Division, to develop, administer, and enforce apprenticeship program standards (Standards) for the operation and success of an apprenticeship or on-the-job training program in the State of Oregon. Apprenticeship programs and committees function to administer, exercise or relinquish authority only with the consent of the OSATC. Only apprentices registered with or recognized by the Oregon Bureau of Labor and Industries (BOLI), Apprenticeship and Training Division (ATD) will be recognized by the OSATC. Parties' signatory to these apprenticeship standards declare that their purpose and policy is to establish and sponsor an organized system of registered apprenticeship and training education.

These Standards are in conformity with and are to be used in conjunction with the Apprenticeship Rules, Chapter 839-011 OAR (Oregon Administrative Rules); Apprenticeship and Training Statutes, Chapter 660 ORS (Oregon Revised Statute); The National Apprenticeship Act, 29 U.S.C. (United States Code) 50; Apprenticeship Programs, Title 29 Part 29 CFR (Code of Federal Regulations); and Equal Employment Opportunity in Apprenticeship and Training, Title 29 Part 30 CFR which collectively govern the employment and training in apprenticeable occupations. They are part of the apprenticeship agreement and bind all signers to compliance with all provisions of registered apprenticeship.

If approved by the OSATC, such amendment(s) and such changes as adopted by the OSATC shall be binding to all parties on the first day of the month following such approval. Sponsors shall notify apprentices and training agents of changes as they are adopted by the OSATC. If and when any part of these Standards becomes illegal, as it pertains to federal and/or state law, that part and that part alone will become inoperative and null and void, and the Oregon Bureau of Labor and Industries (BOLI) may recommend language that will conform to applicable law for adoption by the OSATC. The remainder of the Standards will remain in full force and effect.

See ORS Chapter 660.010 & OAR 839-011-0070 for the definitions of terms used within these Standards.

**Notes:** The body of this document contains boilerplate language that applies to all registered apprenticeship programs in the State of Oregon. Boilerplate language may only be modified by the Oregon State Apprenticeship and Training Council.

Appendices A-H are specific to the individual standard and may be modified by the sponsor by submitting a revised standard for approval by the Oregon State Apprenticeship and Training Council or by the Apprenticeship and Training Division (ATD) with concurrence from OSATC where permitted by ORS 660 and OAR 839-011.

1. **GEOGRAPHIC AREA COVERED:**

These standards establish the apprenticeable occupation to be taught and designate the geographical area or areas in which the standards will apply. (ORS 660.126) The Sponsor shall have a plan to ensure that participating employers will provide work in all areas covered by the program standards (OAR 839-011-0084). The Sponsor shall ensure compliance with the provisions for and of any Reciprocity Agreement recognized by the OSATC. (ORS 660.120 / OAR 839-011-0260)

**The geographic area covered by these standards are located in Appendix A: Geographical Area.** ([Ctrl + Click to follow link](#))

2. **MINIMUM QUALIFICATIONS:**

## APPENDIX C: SELECTION PROCEDURES

### Selection Procedure:

All out of work apprentices in good standing will be offered the opportunity for re-employment prior to new applicants being registered in conformance with the committee's approved initial employment policy.

The committee shall select apprentices from a pool of eligible applicants according to the following procedure:

Application notice and schedule:

- a. The program will distribute a public notice (opening announcement) according to its affirmative action plan and at least semi-annually (and at least 30 days prior to taking applications for any revised notice).
- b. The public notice will include:
  - i. The dates, times, and location applications will be accepted;
  - ii. the minimum qualifications for the program, supporting documentation required and applicable timelines; and
  - iii. a general description and duties of the occupation.

Application process:

- a. Applications will be provided to all interested individuals at locations listed in the opening announcement(s). Individuals must apply in person except that individuals outside a 75 mile radius of the application location(s) may request that an application be mailed to them.
- b. Prior to receiving an application, each applicant's name will be entered in the "Applicant Log"; each application will be identified by a log number that corresponds to the application number.
- c. The cut-off date for submitting applications for qualifying, scoring and interviewing will be stated in the opening announcement.
- d. All applications and supporting documentation will be reviewed for minimum qualifications.

Non-qualified applicants:

Applicants who do not meet the minimum qualifications will be notified in writing; notification will include the reason for rejection, the requirements for admission to the eligibility pool, and the appeal rights available to the applicant.

Interviews of Qualified Applicants:

- a. Interviews will be held at a date and time to be determined by the committee. Two (2) weeks (10 working days) prior to the personal interview, applicants will be notified by mail of the date, time and place of the interview.
- b. Applicants who do not appear for their required interview will not be eligible for inclusion in the ranked pool of eligibles until they have attended an interview.
- c. Applicants who attend an interview will be scored based on the attached point system and will be notified of their ranking by mail. At the time of the interview, applicants will be provided information about the availability of work that is outside of a 75-mile radius from recognized dispatch points (Portland, Salem, Eugene, Bend, & Medford) and will be asked whether they are willing to take long term work in these outlying areas.

Ranked Pool of eligibles:

- a. Applicants who are interviewed and scored will be placed in a ranked pool of eligibles in descending order based on their score and retained on the list for a period of 2 years. The committee will score and rank each qualifying applicant according to the application process.
- b. Individuals may be removed from the ranked pool of eligibles at an earlier date for the following reasons:
  - i. Lack of communication—no current address or phone number on file with the program or failure to respond to the program’s request for information; or
  - ii. Refusal of three (3) work opportunities or no response to three (3) work opportunities; or
  - iii. Self removal; or
  - iv. Expiration of eligibility – two years after applicant is placed on the ranked list; or
  - v. Failure to respond to the program’s request for information.

Placement process:

- a. Out-of-work apprentices will be placed before new applicants from the ranked pool of eligibles are considered for placement.
- b. Individuals will be placed in order of their rank from the ranked pool of eligibles.
- c. In the event that the dispatch is to an outlying area (outside of a 75-mile radius from recognized dispatch points [Portland, Salem, Eugene, Bend, & Medford]), the program will contact the top applicants (up to 7 in ranked order) who have indicated (at the time of interview or by written notice after the interview) that they are willing to take long term work in these outlying areas.

Experienced apprentices who are transferring from a registered plastering apprenticeship program may apply to this program at any time if they:

- a) Are in good standing with the previous program; and
- b) Meet the current minimum qualifications of this program.

Individuals qualifying under this exception will be placed at the bottom of the out-of-work list.

2. EXPERIENCED APPRENTICE

Experienced apprentices who have gained a minimum of one thousand (1000) hours of experience in an Oregon state registered plasterers apprenticeship program within the past three and one-half (3.5) years shall be permitted to return to the program, as far as practical, and resume their training where they left off (instead of reentry as a beginning apprentice), regardless of their place in the ranked pool of eligibles, provided the apprentice had not been cancelled within the preceding twelve (12) months for cause.

3. NEW TRAINING AGENT

If an employer (training agent) has not participated in the training of an apprentice under ORS Chapter 660 for at least 2 years prior to seeking entry or reentry into the apprenticeship program, bona fide employees who have been on the employer's payroll for at least 3 months (300 work hours) prior to the employer's application for an apprentice, and who meet the current minimum qualifications, may be brought into the program. Once the initial selection of apprentices has been made, the employer is thereafter restricted to selection from applicants in the ranked pool of eligibles.

#### 4. PREVIOUS EXPERIENCE APPLICANT

Individuals, other than experienced apprentices, that document a minimum of 1,000 hours of experience in the plasterer occupation, that has been gained within the past three and one-half (3.5) years and provide documentation of related instruction equal to the training received by a plasterer apprentice entering the second period of her/his apprenticeship, will be provided direct referral into the apprenticeship program. Such priority is granted without regard to race, color, religion, national origin, or gender. Qualifying individuals will be placed at the bottom of the current apprentice out-of-work list.

#### 5. PRE-APPRENTICESHIP

The committee will approve the direct referral into apprenticeship those graduates who have graduated within the past three and one-half (3.5) years of Job Corps and/or any other training program approved by the Council and the apprenticeship committee. This priority is granted by the committee without regard to established eligibility lists or the necessity of requiring these graduates to further qualify through written apprenticeship tests or application openings. Such priority will be granted without regard to race, color, religion, national origin, or gender.

Graduates referred by these programs will be placed at the bottom of the current apprentice out-of-work list. In the case of multiple referrals, the order of placement will be determined by referral date. In the case of multiple referrals on the same date, ranking of the applicants will be done alphabetically by last name.

#### 12. VETERAN'S ENTRY

Veterans may apply to the program at any time if they meet the minimum qualifications of the program and if they are:

- a) Members of the Regular services who have been discharged from active duty service with a DD214 issued within the past 24 months indicating an Honorable Discharge;
