APPRENTICESHIP STANDARDS

The Oregon State Apprenticeship and Training Council (OSATC) has the authority to develop, administer, and enforce apprenticeship program standards (Standards) for the operation and success of an apprenticeship or on-the-job-training program in the State of Oregon. Apprenticeship programs and committees function to administer, exercise or relinquish authority only with the consent of the OSATC and only apprentices registered with or recognized by the Oregon State Bureau of Labor and Industries (BOLI), Apprenticeship and Training Division (ATD) will be recognized by the OSATC. Parties signatory to these apprenticeship standards declare that their purpose and policy is to establish and sponsor an organized system of registered apprenticeship and training education.

These Standards are in conformity with and are to be used in conjunction with the Apprenticeship Rules, Chapter 839-011 OAR (Oregon Administrative Rules); Apprenticeship and Training Statutes, Chapter 660 ORS (Oregon Revised Statute); The National Apprenticeship Act, 29 U.S.C. (United States Code) 50; Apprenticeship Programs, Title 29 Part 29 CFR (Code of Federal Regulations); and Equal Employment Opportunity in Apprenticeship and Training, Title 29 Part 30 CFR which collectively govern the employment and training in apprenticeable occupations. They are part of the apprenticeship agreement and bind all signers to compliance with all provisions of registered apprenticeship.

If approved by the council, such amendment(s) and such changes as adopted by the council shall be binding to all parties on the first day of the month following such approval. Sponsors shall notify apprentices and training agents of changes as they are adopted by the council. If and when any part of these Standards becomes illegal, as it pertains to federal and/or state law, that part and that part alone will become inoperative and null and void, and the Bureau of Labor and Industries (BOLI) may recommend language that will conform to applicable law for adoption by the OSATC. The remainder of the Standards will remain in full force and effect.

See ORS Chapter 660 & OAR 839-011 for the definitions necessary for use with these Standards.

Sections of the standard inside of a border are specific to the individual standard and may be modified by the sponsor by submitting a revised standard for approval by the Oregon State Apprenticeship and Training Council. All other sections of the standard are boilerplate and may only be modified by the Council.

I. GEOGRAPHIC AREA COVERED:

The sponsor only has authority to recognize training agents (employers) that maintain their principal place of business inside of the geographical area covered by these standards. Training agents that maintain their principal place of business outside of the geographical area covered by this standard may only be recognized as traveling training agents when working in geographic area covered by this standard. The Sponsor will ensure compliance with the provisions for traveling training agents and of any Reciprocity Agreement recognized by the OSATC. (See ORS 660.137 / OAR 839-011-0260 / OSATC Policy # 16)

The geographic area covered by these standards shall be Multnomah, Washington, Clackamas, Hood River, and Wasco Counties, and that part of Yamhill County north of Section Line T4S in the State of Oregon.

These standards shall also cover Clark, Cowlitz, Klickitat, Skamania and Pacific Counties in the State of Washington under the terms and conditions of the reciprocal agreement.

II. MINIMUM QUALIFICATIONS:

Minimum qualifications must be clearly stated and applied in a nondiscriminatory manner (See ORS 660.126 (1b)). Documentation must be provided for all minimum qualifications:

- Age: Must be at least 18 years of age at the time of acceptance into the program.
- Education: Must be a high school graduate from a school accredited by a State Education Agency, with a GPA of 2.0 ('C') or higher;

 - 2300 for GED obtained after 12/31/2001;
 - 600 for GED obtained after 01/01/2014;
 - or-
 - Should the GPA fall below this requirement, the applicant may provide an official transcript from an accredited college indicating general education courses (writing, English, math, history, etc.) with a 2.0 ('C') or better to be averaged with the high school GPA;
 - and-
 - One year of high school algebra, passed with a 'C' (2.0) or better, or equivalent (see Section III.A.2.e for additional information).
- Physical: None
- Testing: None
- Other: None

Note: As a condition of employment the employer may require a valid driver's license. Additionally, as a condition of employment the employer may require drug testing.

III. CONDUCT OF PROGRAM UNDER OREGON EQUAL EMPLOYMENT OPPORTUNITY IN APPRENTICESHIP PLAN (OAR 839-011-0200):

Standards must include the Oregon Equal Employment Opportunity in Apprenticeship and Training Pledge (See OEEOA Section 4)

EEO PLEDGE

The sponsor will not discriminate against apprenticeship applicants or apprentices based on race, color, religion, national origin, sex (including pregnancy and gender identity), sexual orientation, genetic information, or because they are an individual with a disability or a person 40 years old or older. The sponsor will take affirmative action to provide equal opportunity in apprenticeship and will operate the apprenticeship program as required under Title 29 of the Code of Federal Regulations, part 30.

Sponsors with five (5) or more apprentices in an apprenticeable occupation must adopt an Equal Employment Opportunity Plan and Selection Procedures and submit the plans for Council approval. (See OAR 839-011-0200 / Sections 5 & 6 of the Oregon Equal Employment Opportunity in Apprenticeship (OEEOA) / Council policy # 23).

A. SELECTION PROCEDURES:

The committee shall select apprentices from a pool of eligible applicants according to the following procedure: (ORS 660.137 (3) / OEEOA section 6)

1. All out of work apprentices in good standing will be offered the opportunity for re-employment prior to new applicants being registered in conformance with the committee's approved initial employment policy.
2. The committee will select apprentices from a ranked pool of eligibles according to the following procedure:
 - a. Application Notice and Schedule
 - 1) The committee will establish a reasonable period of at least 2 weeks for accepting applications for admission to the apprenticeship program.
 - 2) An opening announcement will be distributed according to the committee's affirmative action plan at least 30 days in advance of the earliest date for application. It will establish the date, time, and place applications will be accepted, list the minimum qualifications for the program, and provide a general description and duties of the occupation. It will also include information on scoring and ranking timelines.
 - b. Application Process
 - 1) Applications will be provided to all interested individuals at the location(s) specified in the opening announcement.
 - 2) Prior to receiving an application, each applicant's name, gender and ethnicity will be entered on an Applicant Log that will identify all applications by a log number corresponding to the application number.
 - 3) All applications and supporting documents must be returned to the JATC office by the specified deadline. Applications and supporting documentation will be date stamped when received.
 - c. Verification of Minimum Qualifications
 - 1) All applications and supporting documentation will be reviewed for minimum qualifications.
 - d. Non-Qualified Applicants
 - 1) Applicants who do not meet the minimum qualifications will be notified in writing; notification will include the reason for rejection, the requirements for admission to the eligibility pool, and the appeal rights available to the applicant.
 - e. Pool of Eligible Applicants
 - 1) Individuals who meet the math requirement listed in Section II of this standard will qualify for placement into the pool of eligible applicants. However, they will not be eligible to be scored, ranked, and placed in employment until they:
 - a) Achieve a score on a math placement test that indicates ability equivalent to the completion of one year of high school algebra; or
 - b) Submit documentation that a high school algebra course or equivalent was completed in the previous 12 months.
 - f. Ranked Pool of Eligibles
 - 1) Individuals who meet the minimum requirements listed in Section II of this standard will be scored and ranked based on the point system attached. These individuals will then be placed in a Ranked Pool of Eligibles in rank order and retained on the list for

a period of 2 years.

- 2) Individuals may be removed from the Ranked Pool of Eligibles at an earlier date by their request or following their failure to respond to an apprentice job assignment provided in accordance with the committee's Initial Employment Policy.

g. Ready for Employment List:

- 1) In January of each year, the committee will work with its assigned apprenticeship representative to review registration information for the previous five years and determine the average number of annual apprentice indentures. The Ready for Employment List for the year will be adjusted if needed to equal 20% of the annual indenture average.
- 2) Individuals will be placed on the Ready for Employment List in order of their rank in the Ranked Pool of Eligibles and issued an employer selection form.
- 3) An employer may select one individual from the Ready for Employment List by signing the employer selection form.
- 4) The employer's next new apprentice must come from the top of the Ready for Employment List. The employer may then select additional apprentices by alternating between selecting any individual from the Ready for Employment List and the top individual on the Ready for Employment List.
- 5) When the Ready for Employment List falls to half of the 20% annual indenture average the committee may replenish the list by moving the next group of applicants from the top of the Ranked Pool of Eligibles to the Ready for Employment List.

h. EXCEPTIONS

1. APPRENTICE TRANSFER

Upon the following terms, the committee shall, at any time, allow application for transfer of currently registered apprentices from other programs:

- b) Application for admission has been made on a form obtained from the committee and signed by the applicant;
- c) The applicant has not been dismissed for cause from any program within the preceding 90 days;
- d) The applicant meets the program Minimum Qualifications;

An applicant admitted under this exception will be placed at the bottom of the out-of-work list.

2. EXPERIENCED APPRENTICE

Experienced apprentices who gained a minimum of 2000 OJT hours and 144 hours of related training experience in a registered inside electrician program shall be permitted to enter this program and pick up their training where they left off instead of entering as beginning apprentices provided they:

- a) Meet the current minimum qualifications
- b) Have not been terminated from an apprenticeship program for cause
- c) Gained their experience during the previous 3 years

Individuals qualifying under this exception will be placed at the bottom of the out of work list.

3. NEW TRAINING AGENT

If an employer has not participated in the training of an apprentice under ORS Chapter 660 for at least 2 years prior to seeking entry or re-entry into the apprenticeship program, he/she may select as initial apprentices without going to the pool, those bona fide employees who:

- a) Meet the minimum qualifications for entry into the program; and
- b) Have been on his/her payroll for at least 3 months and 300 paid work hours prior to his/her application for an apprentice.

Once the initial selection of apprentices has been made, the employer is thereafter restricted to selection from applicants on the Ready for Employment List.

5. PRE-APPRENTICESHIP

Graduates that have successfully completed pre-apprenticeship programs jointly approved by the OSATC and the committee during the preceding four years will be registered and placed at the bottom of the apprentice out of work list, providing that the applicant meets the current minimum qualifications. Such priority is granted without regard to race, color, religion, national origin, or sex.

11. NATIVE AMERICAN PREFERENCE

Qualified Native American applicants referred and ranked by a Tribal Employment Rights or Human Services Office (TERO), and who otherwise meet the minimum qualifications of these Standards, may be selected for dispatch without regard to existing selection procedures if the work to be performed is in a geographic area on or near an existing Indian Reservation, Lands or Nation or has been funded by, or at the direction of, an Indian Tribe or Nation.

12. VETERANS PREFERENCE

Upon the following terms, the committee shall, at any time, consider an application for admission from a Veteran of the United States armed forces:

- a) The applicant must meet the minimum qualifications of this program;
- b) The applicant must have been a member of the Regular Service, discharged within the preceding 24 months, and possess a DD-214 indicating an Honorable Discharge;
- c) Or, the applicant must have been a member of the Selected Reserve, or Individual Ready Reserve, discharged within the preceding 24 months and possess a DD-214 indicating an Honorable Discharge;
- d) Or, the applicant must have been a member of the National Guard, discharged within the preceding 24 months and possess a DD-214 indicating an Honorable Discharge.

Individuals qualifying under this exception may seek direct entry and, if registered, will be placed at the bottom of the out of work list.

15. (OTHER) SCHOLARSHIPS

In an effort to provide a transition from school to registered apprenticeship for highly qualified high school graduates, the committee has developed a scholarship program. In conjunction with participating high schools, the committee will make up to one scholarship available in each county covered by its standard. Scholarships will be awarded based on the following:

- a) The committee will mail a summary of the scholarship program to all high schools

in its geographical area in September of each year.

- b) High schools wishing to participate must submit a letter indicating their desire to participate no later than October 31.
- c) The committee will provide each interested high school with scholarship applications and a summary of the scoring criteria.
- d) Each high school student wishing to participate must submit a completed application no later than May 1 of the student's year of graduation.
- e) In April of each year, the committee will poll its employers. Based on their willingness to participate, the committee will establish the number of scholarships to be awarded and the counties in which they will be awarded.
- f) The committee will select no more than one employer from each county to sponsor a scholarship apprentice. If more than one employer maintaining its principal place of business in an individual county requests to sponsor a scholarship, the committee will establish selection criteria and select the most qualified employer.
- g) In May of each year, the sponsor will evaluate the student applications. Scholarships will be awarded in June.
- h) Upon graduation and reaching the age of 18, the selected student in each county will be registered and placed directly in employment with the sponsoring employer. The scholarship award will be applied to offset the apprentice's cost of any related training expenses thru the sponsor.

B. EQUAL EMPLOYMENT OPPORTUNITY PLAN:

1. A sponsor's commitment to equal opportunity in recruitment, selection, employment and training of apprentices shall include the adoption of a written affirmative action plan. (See OAR 839-011-0200 / OEEOA sections 5 a, b and c)
2. In addition the sponsor will set forth the specific steps that it will take under this plan, review and update the specific steps that it will take to implement the plan at least yearly and submit the updated steps to the Apprenticeship and Training Division (ATD) for review and approval. (OEEOA section 5 & 8)
3. Numerical goals and timetables for the selection of minority and female apprentices shall be included with the sponsor's annual updated steps. (OEEOA section 5 & 8)
4. The sponsor hereby adopts the following activities in order to enable it to meet its affirmative action obligations.

For programs accepting applications only at specified intervals, such information shall be disseminated at least 30 days in advance of the earliest date for application at each interval. For programs customarily receiving applications throughout the year, such information shall be regularly disseminated but not less than semiannually. Such

information shall be given to Council, local schools, employment offices, women's centers, outreach programs and organizations that can effectively reach women and minorities, and shall be published in newspapers circulated in the minority community and among women, as well as the general areas in which the sponsor operates.

2: PARTICIPATE IN ANNUAL WORKSHOPS

Participate in annual workshops to familiarize educators, career counselors, employment service representatives, and other appropriate personnel with apprenticeship in general as well as current opportunities.

3: PREPARE STUDENTS FOR ENTRY INTO APPRENTICESHIP

Cooperate with local schools and vocational education systems to develop programs for preparing students to meet the standards and criteria required to qualify for entry into apprenticeship programs.

The committee will identify other apprenticeship program sponsors and community organizations with whom they may collaborate. The sponsor will seek out and support programs to prepare and encourage women to enter traditionally male occupations.

10: RETENTION / PREVENT ILLEGAL DISCRIMINATION

Take other appropriate action to ensure that decisions regarding recruitment, selection, employment, and training of apprentices are job-related and without illegal discrimination because of race, color, religion, national origin, disability, age, or sex.

C. DISCRIMINATION COMPLAINTS:

1. Any apprentice or applicant for apprenticeship who believes they have been discriminated against with regards to apprenticeship by the committee may file a complaint. (See OAR 839-011-0200 / OEEOA Section 11)
2. The basis of the complaint may be:
 - a. Discrimination on the basis of race, sex, color, religion, national origin, age, disability or as otherwise specified by law by a sponsor or a sponsor's program
 - b. The equal employment opportunity plan has not been followed; or
 - c. The sponsor's equal employment opportunity plan does not comply with the requirements of the Oregon Equal Employment Opportunity in Apprenticeship Plan.
3. Any such complaint must be filed with the Director of the Apprenticeship and Training

Division (Secretary of the OSATC) in writing within 180 days of the alleged illegal discrimination or specified failure to follow the equal opportunity requirements.

4. The written complaint must include the name, address and telephone number of the person allegedly discriminated against, the sponsor involved and a description of the circumstances of the complaint.
5. For complaints dealing with program operations see section X of this document.

IV. TERM of APPRENTICESHIP:

1. The term of apprenticeship will not be less than 2,000 hours of work experience in the apprenticeable occupation identified in this Standard. (See ORS 660.126 (d))
2. The term of apprenticeship must be stated in hours unless otherwise required by a collective bargaining agreement, civil service or other governing regulation. (See ORS 660.126)
3. The sponsor may accelerate, by an evaluation process, the advancement of apprentices who demonstrate abilities and mastery of the occupation to the level for which they are qualified. (See ORS 660.137 (4))
4. When the apprentice is granted advanced standing, the employer must pay the apprentice at the appropriate wage per the wage progression schedule specified in these standards. (See ORS 660.142)

NOTE: In licensed occupations the apprentice must complete the minimum hours of documented legal experience.

The term of apprenticeship shall be ~~8,000~~ hours of employment.

V. INITIAL PROBATIONARY PERIOD:

1. All apprentices are subject to an initial probationary period, stated in hours of employment during this time; an apprenticeship agreement may be terminated without cause. It is the period following the effective date of the apprentice's current registration into the program and during which the apprentice's appeal rights are restricted. (See ORS 660.126 (1g))
2. The initial probationary period must be reasonable in relationship to the full term of the apprenticeship unless otherwise required by Civil Service, CBA or law. It cannot exceed one year (12 months) or 25 percent of the length of the program, whichever is shorter. (See ORS 660.126 (1g))
3. During the initial probationary period either party to the agreement may terminate the apprenticeship agreement upon written notice to the Apprenticeship and Training Division of the Oregon Bureau of Labor and Industries. (See ORS 660.126 (1g) & ORS 660.060 (6))
4. An appeal process is available to apprentices who have completed the initial probationary period. (See ORS 660.060 (6) & (7) and section X of this standard)

The probationary period shall be the first ~~2,000~~ OJT hours of employment, or one year after the current registration to this standard, whichever is shorter. (See ORS 660.126 (g))

1. There shall be a maximum numeric ratio of apprentices to journey-level workers consistent with proper supervision, training, safety and continuity of employment. (See ORS 660.126 (1f))
2. The ratio shall be specifically and clearly stated as to its application to the job site, workforce, department, shift, plant or combination therein. (See ORS 660.126 (1f))
3. The Sponsor will assure that apprentices are under the supervision of competent and qualified journey-level workers on the job who are responsible for the work being performed, to ensure safety and training in all phases of the work. (See ORS 660.126 (1f), OAR 839-011-0140 (2g), OAR 839-011-0360)

The first person assigned to any job site shall be a journeyman.

Each job site shall be allowed a ratio of two (2) apprentices for every three (3) Journeyman or fraction thereof. (see example)

In no case shall the number of apprentices exceed the number of journeymen on the job.

A job site is considered to be the physical location where employees perform their work assignments. The employer's shop (service center) is considered to be a separate, single job site when preparation work is performed. All physical locations where workers perform work are each considered to be a single, separate job site.

Example:

Number of Journeymen	Maximum Number of Apprentice(s)
1 to 3	2
4 to 6	4
7 to 9	6

VII. APPRENTICE WAGES and WAGE PROGRESSION:

1. The apprentice shall be paid according to a progressively increasing schedule of wage based on specified percentages of the average journey-level wage consistent with skills acquired. (See ORS 660.126 (1h))
2. Wage progressions shall be indicated in hourly or monthly periods (the registration agency recommends the use of hour periods) set by the Sponsor. (See ORS 660.126 (h))
3. The entry wage will not be less than the federal or state minimum wage rate, whichever is higher. (See ORS 660.142 (4))
4. The wage listed in this standard at all periods establishes a minimum and a higher wage may be required by other applicable federal law, state law, respective regulations, or by a collective bargaining agreement. (See ORS 660.126 (1h), ORS 660.137 (6), ORS 660.142 & OAR 839-011-140 (2f))
5. The sponsor must re-determine the average journey-level wage at least annually and submit the new average journey wage to the Director of the Apprenticeship and Training Division

with a statement explaining how such determination was made and the effective date of the new average journey wage. (See ORS 660.137 (6))

6. Upon approval by the Director, the Division will notify all training agents and apprentices of the new wage. (See ORS 660.142 (2))

The average wage for those journey-level workers employed by the participating employers in this occupation on **January 1, 2020** is \$ **40.50** per **hour**.

Period	Number of required hours	% of the journey level rate
1	0 – 1,000	40
2	1,001 – 2,000	50

2. The following is a condensed schedule of work experience that every apprentice shall follow as closely as conditions will permit. (See ORS 660.126 (1c) OAR 839-011-0360; OAR 839-011-0140)

a. Stock room and material handling	100	300
b. Residential wiring	1,000	3,000
c. Commercial installations	1,000	3,000

NOTE: The committee realizes that the completion of 8,000 hours of on-the-job training is the ideal, but recognizes that most apprentices will not be able to fulfill the total amount of hours specified in every work process as set forth in this standard. When an apprentice is unable to fulfill the total work hours in each work process the committee will evaluate the apprentice's knowledge, skills and abilities and provide appropriate additional related instruction to assure that competency is acquired in each work process. The evaluation and summary of the additional instruction will be noted in the apprentice's file.

IX. RELATED/SUPPLEMENTAL INSTRUCTION:

1. The apprentice must attend related/supplemental instruction for at least 144 hours per year unless otherwise stated in this standard. Time spent in related/supplemental instruction will not be considered as hours of work, and the apprentice is not required to be paid for time so spent. (See ORS 660.126 (1e))
2. The Committee must provide for instruction of the apprentice during the related/supplemental instruction in safe and healthful work practices in compliance with the Oregon OSHA regulations and applicable federal and/or state regulations. (See ORS 660.137)
3. In case of failure on the part of any apprentice to fulfill the related instruction obligation, the sponsor has the authority to withhold the apprentice's periodic wage advancement; or with a reasonable opportunity to remedy deficiencies, suspend, or cancel the Apprenticeship Agreement. (See ORS 660.157 (4))
4. Clock hours of actual attendance by the apprentice in related/supplemental instruction classes at the community college, training trust or other approved training provider shall be documented and tracked by the Committee. (See ORS 660.157 (2a))
5. Related instruction activities must be at the direction of a qualified instructor. (See ORS 660.157 (3))

Methods of related/supplemental training must consist of one or more of the following: (See ORS 660.157)

- d. Community college;
- e. Training trust;

A minimum of 144 hours of related training shall be required during each year the apprentice is registered in the program. (See ORS 660.126 (e))

The following is a summary of related instruction including required class hours in each element of instruction. A committee may establish and submit clear objectives and outcomes in lieu of hours for each class subject. (See ORS 660.157)

Apprentices must receive a 'C' or better for graded classes or 'Pass' for non-graded classes. (see OAR 918-282-0170 to -0365)

See: ORS 660.120 OAR 839-011-0073

1. Local committee rules or policies and any employment requirement such as driver's license, drug test etc. will be located in this section.

2. The committee may include provisions for committee-imposed "disciplinary probation," which is a time assessed when the apprentice's progress is not satisfactory; a "disciplinary probation" may only be used to provide an opportunity for the apprentice to correct deficiencies and cannot affect the apprentice's appeal rights after the initial probation is completed. (See ORS 660.137 (4))
3. During disciplinary probation the committee may withhold periodic wage advancements, suspend or cancel the apprenticeship agreement, or take other disciplinary action. (See ORS 660.137 (4))
4. The apprentice has the right to file an appeal of the committee's disciplinary action with the Director of the Apprenticeship and Training Division. (See ORS 660.137 (4))
5. Complaint and Appeal Procedures:
 - a. Each committee shall adopt and submit complaint review procedures for Division approval.

 - c. Complaints that involve matters covered by a collective bargaining agreement are not subject to the complaint review procedures in this section. (See ORS 660.126 (2))
 - d. After the initial probationary period the apprenticeship agreement may be canceled by a written request from the apprentice. (See ORS 660.126 (1g) ORS 660.060 (7))
 - e. After the initial probationary period the committee may only suspend, cancel or terminate the apprentice agreement for good cause, which includes but is not limited to: failure to report to work, nonattendance at related instruction, failure to submit work progress reports and lack of response to committee citations. (See ORS 660.060 (7))
 - i. Due notice and a reasonable opportunity for correction must be provided to the apprentice.
 - ii. Upon suspension a written notice must be provided to the apprentice and to the Apprenticeship and Training Division.
 - iii. Upon cancellation a written notice must be provided to the apprentice and to the Apprenticeship and Training Division.
