APPRENTICESHIP STANDARDS

The Oregon State Apprenticeship and Training Council (OSATC) has the authority to develop, administer, and enforce apprenticeship program standards (Standards) for the operation and success of an apprenticeship or on-the-job-training program in the State of Oregon. Apprenticeship programs and committees function to administer, exercise or relinquish authority only with the consent of the OSATC and only apprentices registered with or recognized by the Oregon State Bureau of Labor and Industries (BOLI), Apprenticeship and Training Division (ATD) will be recognized by the OSATC. Parties signatory to these apprenticeship standards declare that their purpose and policy is to establish and sponsor an organized system of registered apprenticeship and training education.

These Standards are in conformity with and are to be used in conjunction with the Apprenticeship Rules, Chapter 839-011 OAR (Oregon Administrative Rules); Apprenticeship and Training Statutes, Chapter 660 ORS (Oregon Revised Statute); The National Apprenticeship Act, 29 U.S.C. (United States Code) 50; Apprenticeship Programs, Title 29 Part 29 CFR (Code of Federal Regulations); and Equal Employment Opportunity in Apprenticeship and Training, Title 29 Part 30 CFR which collectively govern the employment and training in apprenticeable occupations. They are part of the apprenticeship agreement and bind all signers to compliance with all provisions of registered apprenticeship.

If approved by the council, such amendment(s) and such changes as adopted by the council shall be binding to all parties on the first day of the month following such approval. Sponsors shall notify apprentices and training agents of changes as they are adopted by the council. If and when any part of these Standards becomes illegal, as it pertains to federal and/or state law, that part and that part alone will become inoperative and null and void, and the Bureau of Labor and Industries (BOLI) may recommend language that will conform to applicable law for adoption by the OSATC. The remainder of the Standards will remain in full force and effect.

See ORS Chapter 660 & OAR 839-011 for the definitions necessary for use with these Standards.

Sections of the standard inside of a  are specific to the individual standard and may be modified by the sponsor by submitting a revised standard for approval by the Oregon State Apprenticeship and Training Council. All other sections of the standard are boilerplate and may only be modified by the Council.

I. GEOGRAPHIC AREA COVERED:

The sponsor only has authority to recognize training agents (employers) that maintain their principal place of business inside of the geographical area covered by these standards. Training agents that maintain their principal place of business outside of the geographical area covered by this standard may only be recognized as traveling training agents when working in geographic area covered by this standard. The Sponsor will ensure compliance with the provisions for traveling training agents and of any Reciprocity Agreement recognized by the OSATC. (See ORS 660.137 / OAR 839-011-0260 / OSATC Policy # 16)

The geographic area covered by these standards shall be  Lane County  in the State of Oregon.

II. MINIMUM QUALIFICATIONS:

Minimum qualifications must be clearly stated and applied in a nondiscriminatory manner (See ORS 660.126 (1b)). Documentation must be provided for all minimum qualifications:

Age:  Eighteen (18) years of age 

Education: High school diploma or GED equivalency; one year of high school algebra with a grade of 'Pass', 'C' or better, or equivalent post-high school course(s) or math placement test

Physical: None

Testing: None

Other: Apprentices must be employees of participating training agent.
Applicants will document at least 1000 documented hours of Ground work experience in the trade prior to the effective date of registration.

Note: See section X # 6

III. CONDUCT OF PROGRAM UNDER OREGON EQUAL EMPLOYMENT OPPORTUNITY IN APPRENTICESHIP PLAN (OAR 839-011-0200):

Standards must include the Oregon Equal Employment Opportunity in Apprenticeship and Training Pledge (See OEEOA Section 4)

EEO PLEDGE

The sponsor will not discriminate against apprenticeship applicants or apprentices based on race, color, religion, national origin, sex (including pregnancy and gender identity), sexual orientation, genetic information, or because they are an individual with a disability or a person 40 years old or older. The sponsor will take affirmative action to provide equal opportunity in apprenticeship and will operate the apprenticeship program as required under Title 29 of the Code of Federal Regulations, part 30.

Sponsors with five (5) or more apprentices in an apprenticeable occupation must adopt an Equal Employment Opportunity Plan and Selection Procedures and submit the plans for Council approval. (See OAR 839-011-0200 / Sections 5 & 6 of the Oregon Equal Employment Opportunity in Apprenticeship (OEEOA) / Council policy # 23).

A. SELECTION PROCEDURES:

The committee shall select apprentices from a pool of eligible applicants according to the following procedure: (ORS 660.137 (3) / OEEOA section 6)

1. All out of work apprentices in good standing will be offered the opportunity for re-employment prior to new applicants being registered in conformance with the committee's approved initial employment policy.
2. As the sponsor of this electrical worker apprenticeship program, the Eugene/Springfield area Utilities JATC will take appropriate actions available to the committee to ensure that the selection methods employed by its training agents meet the requirements of the Oregon State Apprenticeship and Training Council (OSATC)
 - a. Registered training agents in good standing with the committee shall select their apprentices from those bona fide employees who have been on the employer's payroll for at least 500 hours in the preceding three months. The selected employee must meet the minimum qualifications for applicants as specified in the standards for the occupation at the time they are brought into the program.

- d. The committee will track the number of apprentices employed by each training agent. When a training agent selects its fourth apprentice, the committee will inform the Registration Agency (BOLI/ATD). At the same time, the committee will inform the training agent that it must submit a description of its employee and apprentice selection practices to the Oregon State Apprenticeship and Training Council before the next cut-off date for Council submittals. The training agent may register additional apprentices prior to the cut-off date, but not subsequently without having submitted its selection procedures to OSATC.
- e. At the first committee meeting of each calendar year, the committee will record in its minutes the names of training agents who have had five or more apprentices in the previous year.
- f. When the Apprenticeship and Training Division conducts an Affirmative Action Compliance Review, the Division will contact each training agent with five or more apprentices and request the training agent to provide information relating to its selection practices. Examples of the information the Division may require include the following:

4. The sponsor hereby adopts the following activities in order to enable it to meet its affirmative action obligations.
5. As the sponsor of this electrical apprenticeship program, the Eugene/Springfield JATC will take all appropriate actions available to the committee to ensure that recruitment, selection, employment and training of apprentices during apprenticeship shall be without discrimination because of race, color, religion, national origin, or sex. The committee will take the following pro-active steps:

Before being accepted into the apprenticeship program as a new training agent, an employer bringing five or more apprentices in one craft into the program at the time of application will, prior to becoming a training agent, submit an Affirmative Action Plan approved by the committee.

Training agents that have not actively pursued the approved strategies and/or who have not engaged in positive outreach activities will be cited to appear in order to discuss federal requirements and obligations placed on the committee and training agents by the Council. Training agents unable to ensure the committee of continuing good faith affirmative action effort in the selection and hiring of apprentices will face loss of training agent status.

2. The committee adopts the following practices in order to identify barriers in the industry to women and minorities:

The committee will track the specific reasons why individual minority and female candidates did not complete the program as a further assistance in developing methods for addressing primary barriers. This information will be available to any training agent wishing the information, and will automatically be sent to any training agents with minority and/or women apprentices.

3. The committee will participate in at least one community college and one community based organization job fair to promote apprenticeship. The committee will also prepare an annual mailing outlining the benefits of the apprenticeship program to local employer associations.
4. The committee has included in its Policy and Procedures Handbook a description of "Good Faith Effort" applicable to all registered Training Agents.

C. DISCRIMINATION COMPLAINTS:

1. Any apprentice or applicant for apprenticeship who believes they have been discriminated against with regards to apprenticeship by the committee may file a complaint. (See OAR 839-011-0200 / OEEOA Section 11)

 - c. The sponsor's equal employment opportunity plan does not comply with the requirements of the Oregon Equal Employment Opportunity in Apprenticeship Plan.

3. Any such complaint must be filed with the Director of the Apprenticeship and Training Division (Secretary of the OSATC) in writing within 180 days of the alleged illegal discrimination or specified failure to follow the equal opportunity requirements.
4. The written complaint must include the name, address and telephone number of the person allegedly discriminated against, the sponsor involved and a description of the circumstances of the complaint.

IV. TERM of APPRENTICESHIP:

1. The term of apprenticeship will not be less than 2,000 hours of work experience in the apprenticeable occupation identified in this Standard. (See ORS 660.126 (d))
2. The term of apprenticeship must be stated in hours unless otherwise required by a collective bargaining agreement, civil service or other governing regulation. (See ORS 660.126)

2. The ratio shall be specifically and clearly stated as to its application to the job site, workforce, department, shift, plant or combination therein. (See ORS 660.126 (1f))
3. The Sponsor will assure that apprentices are under the supervision of competent and qualified journey-level workers on the job who are responsible for the work being performed, to ensure safety and training in all phases of the work. (See ORS 660.126 (1f), OAR 839-011-0140 (2g), OAR 839-011-0360)

2. The committee may include provisions for committee-imposed "disciplinary probation," which is a time assessed when the apprentice's progress is not satisfactory; a "disciplinary probation" may only be used to provide an opportunity for the apprentice to correct deficiencies and cannot affect the apprentice's appeal rights after the initial probation is completed. (See ORS 660.137 (4))
