Introduction – Apprenticeship Standards

The Oregon State Apprenticeship and Training Council (OSATC) has the authority, under the direction of the Apprenticeship and Training Division, to develop, administer, and enforce apprenticeship program standards (Standards) for the operation and success of an apprenticeship or on-the-job training program in the State of Oregon. Apprenticeship programs and committees' function to administer, exercise or relinquish authority only with the consent of the OSATC. Only apprentices registered with or recognized by the Oregon Bureau of Labor and Industries (BOLI), Apprenticeship and Training Division (ATD) will be recognized by the OSATC. Parties' signatory to these apprenticeship standards declare that their purpose and policy is to establish and sponsor an organized system of registered apprenticeship and training education.

These Standards are in conformity with and are to be used in conjunction with the Apprenticeship Rules, Chapter 839-011 OAR (Oregon Administrative Rules); Apprenticeship and Training Statutes, Chapter 660 ORS (Oregon Revised Statute); The National Apprenticeship Act, 29 U.S.C. (United States Code) 50; Apprenticeship Programs, Title 29 Part 29 CFR (Code of Federal Regulations); and Equal Employment Opportunity in Apprenticeship and Training, Title 29 Part 30 CFR which collectively govern the employment and training in apprenticeable occupations. They are part of the apprenticeship agreement and bind all signers to compliance with all provisions of registered apprenticeship.

If approved by the OSATC, such amendment(s) and such changes as adopted by the OSATC shall be binding to all parties on the first day of the month following such approval. Sponsors shall notify apprentices and training agents of changes as they are adopted by the OSATC. If and when any part of these Standards becomes illegal, as it pertains to federal and/or state law, that part and that part alone will become inoperative and null and void, and the Oregon Bureau of Labor and Industries (BOLI) may recommend language that will conform to applicable law for adoption by the OSATC. The remainder of the Standards will remain in full force and effect.

See ORS Chapter 660.010 & OAR 839-011-0070 for the definitions of terms used within these Standards.

Notes: The body of this document contains boilerplate language that applies to all registered apprenticeship programs in the State of Oregon. Boilerplate language may only be modified by the Oregon State Apprenticeship and Training Council.

Appendices A-H are specific to the individual standard and may be modified by the sponsor by submitting a revised standard for approval by the Oregon State Apprenticeship and Training Council or by the Apprenticeship and Training Division (ATD) with concurrence from OSATC where permitted by ORS 660 and OAR 839-011.

1. GEOGRAPHIC AREA COVERED:

These standards establish the apprenticeable occupation to be taught and designate the geographical area or areas in which the standards will apply. (ORS 660.126) The Sponsor shall have a plan to ensure that participating employers will provide work in all areas covered by the program standards (OAR 839-011-0084). The Sponsor shall ensure compliance with the provisions for and of any Reciprocity Agreement recognized by the OSATC. (ORS 660.120 / OAR 839-011-0260)

APPENDIX C: SELECTION PROCEDURES

Selection Procedure:

All out of work apprentices in good standing will be offered the opportunity for re-employment prior to new applicants being registered in conformance with the committee's approved initial employment policy.

The committee shall select apprentices from a pool of eligible applicants according to the following procedure:

The committee will accept applications for admission into the apprenticeship program on a year-round basis

Applications will be accepted on a year-round basis and packets may be obtained from Student Services in Founder's Hall Monday – Friday, from 8:00am – 5:00pm. Applications are also available on the KCC Website. Opening announcements will be posted on the BOLI-ATD website semi-annually.

Application information will be disseminated according to the committee's Affirmative Action plan.

Applications will be provided to all interested individuals at facilities set forth in the opening announcement.

Prior to receiving an application, each applicant will sign the "Applicant Log" which will identify all applications by a log number that corresponds to the application number.

All applications with supporting documentation must be returned to facilities set forth in the opening announcement by the specified deadline; applications will be date stamped when received.

All applicants will be tracked to final disposition, and their records kept for at least five (5) years after final disposition.

All applications and supporting documentation will be reviewed for minimum qualifications.

Applicants who do not meet the minimum qualifications will be notified in writing; notification will include the reason for rejection, the requirements for admission to the eligibility pool, and the appeal rights available to the applicant.

Qualifying applicants will be scored and ranked based on the point system detailed on the attached list. These individuals will then be placed in a pool of eligibles in rank order and retained on the list for a period of two (2) years.

Individuals may be removed from the pool of eligibles at an earlier date by their request or by failing to respond to the committee in conformance with the committee's initial employment policy. Individuals that are removed from the ranked pool of eligibles will be notified in writing and informed of their re-instatement rights.

Individuals on the ranked list may submit additional documentation of activities that may increase their scores at any time.

Applications will be accepted on a year-round basis. The list of eligibles will be re-ranked from scores of all those in the pool of eligibles on the first working day of each month.

In January of each year the committee will work with its assigned apprenticeship representative to review registration information for the previous five years and determine the average number of annual apprentice indentures. The Ready for Employment list for the year will be adjusted if needed to equal 3 individuals or not more than 20% of the annual indenture 5 year average, whichever is greater.

When the Ready for Employment list is down to one individual it will be replenished to the full level.

A new employer or one who has been without an electrical apprentice for two years may select one individual from the ready for employment pool by signing the employer selection form, except if they have utilized Exception #3.

The employer's next new apprentice must come from the top of the ready for employment pool.

The employer may then select additional apprentices by alternating between selecting any individual from the ready for employment pool and the top individual in the ready for employment pool.

If an individual fails to respond to an apprentice job assignment provided through the placement process, the individual will be removed from the pool in conformance with the committee's initial placement policy.

Exceptions:

2. EXPERIENCED APPRENTICE

Experienced apprentices who have completed their probationary period in a federal or state registered inside electrical program during the two years prior to making application shall be permitted to enter this program at any time and be put on the bottom of the out of work list, and pick up their training where they left off instead of re-entering as beginning apprentices, providing they meet the current minimum qualifications and have not been terminated from an apprenticeship program for cause. Such applicants must submit a letter of good standing and copies of their past records from their previous apprenticeship committee along with their applications.

3. NEW TRAINING AGENT

If an employer has not participated in the training of an electrical apprentice under ORS Chapter 660 for at least two years prior to seeking entry or re-entry into the apprenticeship program, the employer may select his/her initial apprentices without going to the pool. Those initial apprentices must be bona fide employees who have been on his/her payroll for at least 500 hours prior to the employer's application for an apprentice and meet the minimum qualifications for entry into the program. Once the initial selection of apprentices has been made, the employer is thereafter restricted to selection from applicants in the pool of eligibles established by the sponsor.

4. PREVIOUS EXPERIENCE APPLICANTS

Applicants for apprenticeship who establish a minimum of 2,000 hours of legal previous inside electrical experience and related classroom training creditable to the term of apprenticeship and who meet the minimum entry level qualifications will be registered as apprentices at any time and be put on the bottom of the out of work list. Individuals entering under this exception must document education and legal experience equal to at least the first two periods of this apprenticeship program and obtained within the past five (5) years.

5. PRE-APPRENTICESHIP

The sponsor will approve the direct referral into the pool of eligible graduates successfully completing pre-apprenticeship programs within the past two years jointly approved by both the OSATC and the JATC. This priority is granted by the program sponsor without regard to established eligibility lists or the necessity of requiring these pre-apprenticeship graduates to further qualify through written apprenticeship tests or application openings. Such priority is granted without regard to race, color, religion, national origin, or sex. Individuals who have satisfactorily completed an approved program will be placed at the top of the ranked pool of eligibles.

10. SMALL EMPLOYER EXCEPTION

Provided the use of this exception will not result in an adverse impact on apprenticeship opportunities based on an individual's protected class status, a family member, as defined below, who meets the minimum requirements for entry into the apprenticeship program, may be directly indentured by the committee and placed with a family business as defined within subject to the consent of the applicant, so long as the addition of the apprentice would result in no more than three individuals being employed by the training agent in the occupation. Training agents using this exception may not employ more than one apprentice at any time.

- (1) "Family business" means a business owned in whole or in part by a parent or grandparent of the applicant and has been in business under the same owners for at least five years
- (2) "Family member" means the son, daughter, grandchild, or spouse of the family business owner and does not include minor children placed in the care of foster care parents certified by the Department of Human Services.

APPLICATION POINT SYSTEM

Qualifying applications will be reviewed and scored according to the following point system. Points will not be given unless the applicant provides written documentation (letters from employers on company letterhead, DD214 indicating an honorable discharge, course certificates, school transcripts, etc.)
